## C-Hawks Trade in Their Blue and Gold for PINK

C-Hawk seniors displayed the unique jerseys, pictured in back: #5 Matt Anderson, #27 Carter Kreger, #48 Dallas King, #82 Pierce Mastalir and #81 Brayden Qualseth. Pictured in front: #75 Casey Sheridan, #71 Traun Cook, #86 Elijah Anderson, #51 John Halverson, #60 Landen Hartman and #7 Canaan McCracken.

October is Breast Cancer Awareness month, and on the 6th the Canton C-Hawk football team will take the field in their "Crucial Catch" jersey's. Instead of their traditional blue and gold, these one-of-a-kind jerseys are highlighted in PINK. The night is about building awareness around cancer and early detection, it's also a chance to honor those who've battled the disease and to raise money to help local families currently battling cancer.

The NFL and American Cancer Society started the Crucial Catch program in 2009, and according to Coach Rich Lundstrom that's when the C-Hawks partnered with them to raise money for breast cancer awareness. But Lundstrom says for the past several years he was looking for a way to help people locally. "Scott Larson from Sanford Hospital told me about a small fund for cancer patients and their families at the Canton-Inwood Area Health Foundation, so I decided that we would raise money for that fund instead of sending it to the National ACS office." Lundstrom says the fund is for patients and families battling any kind of cancer not just breast cancer, and the money is used for things like transportation, meals, rooms, or whatever is needed.

C-Hawk Moms for Football are raising the money for this every other year event. Donations from Canton area businesses help purchase the football jerseys which the players will wear Friday night against Vermillion. During the game, each jersey is for sale and will go to the highest bidder as part of a silent auction that will run through half time. Come out Friday, October 6 and support your C-Hawks and Breast Cancer Awareness.

GAME/PINK JERSEY AUCTION

## The Road to Nowhere .....

### South Veterans Parkway has its first intersection complete as construction continues between the major roadways of Cliff, Minnesota and Western Avenues

By Virginia Olson

#### Call it a baby step.

The first intersection of the 8.7 miles of the South Veterans Parkway road construction project is complete, and two lanes of northbound and southbound traffic on Cliff Avenue are now open between 77th and 85th Streets. It is also where the six-lanes of Veterans Parkway will be crossing roadways north of Harrisburg. Not only that, but it will also include a bridge over 85th Street near Minnesota Avenue.

Motorists traveling Cliff Avenue, Minnesota Avenue and Western Avenue have been contending with construction woes the last four months. These three vital roads are the first of four construction segments as the four-year, \$210M South Veterans Parkway project moves forward.

#### Lots of roadwork; no roads

For now, only an intersection is complete. Nothing else.

And even with all the construction, South Veterans Parkway still has no roads.

Confused? A drive down Minnesota Avenue may explain

more. The six lanes are being built mostly in open fields in between rapidly developing areas of Harrisburg and Sioux Falls.

Two weeks ago, crews closed the outside northbound and southbound lanes on Minnesota Ave one-fourth mile south of 85th Street where South Veteran's Parkway will eventually intersect with Minnesota Avenue. Because of the work zones, there is only one lane of traffic.

Though there is work on intersections, road paving and road work between Cliff Avenue and Western Avenue won't be scheduled until the spring, summer and fall months of 2024. There is also work west of Minnesota Avenue towards Western Avenue where a pedestrian box culvert has been installed as a pedestrian underpass.

#### A 1995 vision to wrap up in 2027

The new 8.7 miles of South Veterans Parkway will eventually add to the existing 8.5 miles of North Veterans Parkway, which stretches from Interstate 90 in northeastern Sioux Falls to 57th Street in southern Sioux Falls. Veterans Parkway has been part of

An aerial view of the South Veterans Parkway project looking north on Minnesota Avenue. Walmart is pictured to the left. Photo by Infrastructure Design Group

Sioux Falls' long-range planning since it was outlined in 1995 by a Sioux Falls Regional Transportation Study. The road would serve a different purpose than a street like 41st Street which has access every 100 feet. Instead, it would curve around the city. It would be

16 miles long, be six lanes wide and connect I-90 and I-29. And it would take time. Southern Veterans Parkway would be completed in four phases stretching over four years and finishing in 2027.

**Marie "Teenie" Heeren**  
December 25, 1931 - September 29, 2023

Marie "Teenie" Heeren, age 91, died Friday, September 29, 2023 surrounded by her family at Avera McKennan Hospital in Sioux Falls. Funeral services will begin at 11:00 a.m. Thursday, October 5, 2023 at Canton Lutheran Church. Family will greet visitors one hour prior to the service.

Marie "Teenie" Elyne (Volden) Heeren was born on December 25, 1931, to Thoralf Olson Volden and Florence Evangeline (Juel) Volden near Klondike. She grew up with her older brother Elmer and later welcomed brothers David and Paul. The family moved around farms in the Canton area before settling near Klondike, which became Teenie's lifelong home. She was baptized and confirmed at Canton Lutheran Church, studied at Hokenstad Country School, and graduated from Canton High School in 1950.

Teenie had a deep affection for the outdoors and animals, bonding especially with her pet racoon and workhorses "Pete & Johnny." "Bitty coon" loved nothing more than to ride on her Indian motorcycle or the Oliver tractor. There was no animal that she could not tame or make a pet out of. Once in her care, they never lacked for food or attention. Her greatest love was for horses. She was especially fond of horseback riding with her friends Gloria & Lana through the Klondike hills or trail riding with the Saddle Club.

On January 1, 1957, she married her best friend and the love of her life, Stanley Eugene Heeren at Canton Lutheran Church. They initially moved to Iowa Falls for Stan's job as a power lineman, but returned to the family farm due to her father Thoralf's health issues. The couple had a daughter, Linda, who inherited her mother's love for animals, especially horses.

In 1977, Teenie started working at Hinky Dinky in Sioux Falls, staying through its various name changes until the store closed its doors in about 2005. She was the only original employee of Hinky Dinky, Prairie Market, Sunshine & Econofoods before it closed. Because of her outgoing personality, she decided to take a job as a cashier at Hy-Vee, where she became a favorite amongst customers. In 1991, Teenie faced the sudden loss of her beloved husband, Stan. Despite the tragedy, she continued to work at Hy-Vee, care for her many farm animals and look after her brother, Paul.

Her grandchildren, Aliya Marie & Kellyn Daniel, were her greatest joy. Chasing Grandma's car up the driveway to the screams "Grandma's home, Grandma's home," relentlessly knocking on her door, because she couldn't get out of her car to unlock the front door fast enough, so they could get inside to spend time with Grandma. Soon, the smell of fresh popcorn filled the air, along with butterscotch pudding & cookies while watching Sponge Bob! As the kids aged, she loved watching videos from Aliya's cheerleading competitions and Kellyn's wrestling tournaments. Special memories were Grandma traveling to Council Bluffs to Aliya's cheer competition & going to Kellyn's wrestling tournaments. The kids had their own private cheering section.

In 2012, a stroke changed her life forever, taking away the independence of being outside, riding her motorcycle & 4-wheeler, being out in the barn & the job she loved at Hy-Vee. After her rehab stay at Avera McKennan Hospital, she moved in with Dan, Linda & her grandchildren, where she would live until her death. Our home will never be the same without her, but her stubbornness, faith, work ethic, honesty, and love will be the legacy we all cherish and carry forward to honor a well-lived life.

Preceding her in death was her husband, Stanley, parents Thoralf & Florence Volden, brothers Elmer, David & Paul, sister-in-law Martha Volden, brothers-in-law Harold Heeren & Warren Heeren, sister-in-law Betty Hulst, nephew Mark Volden, nieces Peggy Volden & Lori Volden and Bruce's son Travis Volden.

Grateful for having shared in her life: daughter Linda and husband Dan March, her grandchildren Aliya March & Kellyn (Ella) March, nephews Bruce (Rose) Volden & family, Perry Volden & family, nieces Tonya (Kent) Clark, Allyn (Jane) Volden & family, Amy (Mike) Leu & family, James (Sonia) Volden, along with many special extended family members & friends. www.andersonandsonsfh.com

## Taking Care Of Our Heroes

In September, I visited Mount Rushmore to pay tribute to the four great heroes who are carved into the mountainside in the Black Hills.

Master carver Gutzon Borglum said that he selected George Washington, Thomas Jefferson, Abraham Lincoln, and Theodore Roosevelt in order to commemorate the founding, growth, preservation, and development of the United States of America. As I sat at the base of Mount Rushmore, I couldn't help but think about the American history these four men created - the Declaration of Independence, the Constitution, the Louisiana Purchase, the construction of the Panama Canal, ensuring the rights of the working man, the American Revolutionary War, the Civil War, preserving our union, and abolishing of slavery. These events are important for Americans to learn about, appreciate, and understand for generations to come.

One of those four heroes, Abraham Lincoln, said, "honor to the soldier and sailor everywhere, who bravely bears his country's cause. Honor, also, to the citizen who cares for his brother in the field and serves, as he best can, the same cause."

This is one of my favorite Lincoln quotes. It makes me think about all that we provide to our veterans at the Michael J. Fitzmaurice State Veterans Home. Our home stands as a tribute to our heroes who answered their country's call to arms. We provide our heroes with high quality, long-term care. Our warm, friendly, and compassionate staff are dedicated to the health and welfare of our heroes.

I encourage everyone to visit our website and take a virtual tour of this state-of-the-art facility.

Every veteran has a private room with a private bath. The rooms are organized into neighborhoods. Amongst the neighborhoods is our beautiful Town Square, which is comprised of a library, game room, chapel, post office, barber/beauty shop, pharmacy, and bistro. We also have on-site physical, speech, and occupational therapists.

Please call our team at 605-745-5127 to learn more about the home and the admission criteria. We are here to serve those who have served us all.

In 2014, we launched the Michael J. Fitzmaurice State Veterans Home Endowment Fund to enhance and maintain the quality of life for our residents at the Home. Our goal is to build a \$3 million permanent endowment. The investment income from the fund will be used to support residents of the Veterans Home who have expended their financial resources. Together, we will improve the quality of our facilities and services while supporting the home's mission to provide compassionate nursing and care to our veterans and residents.

You can learn more about the fund here. This fund embodies these great words that Abraham Lincoln used in his inaugural address, "to care for him who shall have borne the battle and for his widow and his orphan."

There is something about military service that creates a bond between veterans that no one else can fully understand. The fact that we fought together and survived together is a bond that will never be broken and will never be exhausted.

Greg Whitlock, Secretary  
South Dakota Department of  
Veterans Affairs

### Thank you

The family of Rosie Stensland extends a sincere thank you for your thoughts, prayers, kind words, visits, cards, flowers and memorials shared with us during our time of loss. Thank you also to those who supported us at Rosie's visitation and celebration of life and to Andy at Anderson Funeral Home for the excellent care we received. In addition, we are grateful to the staff at Fellowship Village and Canton-Inwood Hospital and to Dr. Michelle Johnson for the excellent care provided to our beloved mother.

God bless,  
The family of Rosie Stensland

## Sanford Canton-Inwood Foot Clinic Updates

### Fun Foot Facts:

- Your feet have one fourth of all the bones in your body - 52 bones!
  - 75% of Americans will experience foot problems at one time or another in their lifetime.
- The Foot Clinic at Sanford Canton-Inwood Medical Center is now offered EVERY Thursday, from 7:30 am-4:30 pm.

Tammy Haverhals, RN, is the Certified Foot Care Specialist at Sanford Canton-Inwood. Services offered include having toenails clipped and filed, grinding of thick nails, and having corns and calluses buffed.

For more information, or to schedule your appointment with Tammy, please contact the Sanford Canton Clinic at 605-764-1500.

# MEMORY LANE

**2013**  
The Canton C-Hawk football team hosted the Tri Valley Mustangs on Friday night and rolled to a 38-0 victory to improve their season record to 3-1.

The Cross Country Team participated in the Sioux Falls Christian Invitational. Thomas Woods placed 49 with time of 19:39, followed by Jacob Huber 51 in time of 19:52; Elliott Anderson 61 in time 20:28 and Austin Rhode 71 in time 21:19. Natalie Van Wyhe finished 16th in a time of 16:50; Sally Peterson 23 in time 17:07; Jaden Wersal 49 in time 18:32; Jada Lundstrom 60 in time 19:10; Ariann VanBockern 61 in time 19:11; McKenzie Krogmann 63 in time 19:22.

What can you do with land that is situated between a railroad track that is circular? Build storage facilities for 5 million cubic feet of grain. Eastern Farmers Coop decided to do just that, starting in July with construction on two 2.5 million bushel storage basins on its land just west of Worthing off Interstate 29. "This facility is truly state of the art," said Location Manager Luke Hartman. "Everything is automated and meant to keep drivers moving through, meaning more time in the field."

Canton played in the Bon Homme tournament on Saturday, Sept. 21. The team placed second in their pool so they advanced to the tournament bracket. The team lost right away so they didn't place since there was no losers bracket. Canton won against Scotland and Gregory and lost to Alcester Hudson and Wagner.

**1998**  
The C-Hawks were at Scotland on Friday, September 25. They dominated the Highlanders on their Homecoming with a 64-0 victory. Canton remains undefeated with a 5-0 record and a 3-0 Big Sioux Conference record.

Crafts persons and quilters from Canton United Methodist Church will be contributing one Southeastern Star quilt to the 16th Annual Ingathering for World Hunger and Poverty Auction. Local craftpersons who have worked on the projects include members of the United Methodist Women.

The CHS Cross Country team participated in the West Central Invitational on Monday with girls varsity and boys junior varsity running 4000 meters. Kyle Hoffman came away with a second place finishing a time of 15:38 in the junior varsity division. Deb Grebner finished 19th. The girls varsity team ran in a field of 39 runners with Jennie Day placing 22th, Amber Hoffman placed 18th and Desiree Sehr 27th.

**1973**  
The Klondike Mill Property on the border with Iowa and South Dakota was sold recently with EROS Rural development corporation of Sioux Falls, being the purchaser. The new owners of the property said they plan to reserve the Mill for an historical attraction.

Twenty-five grain cars were in Canton last Wednesday to be loaded with corn from Hunting Elevator Co. Hunting Manager Orv Bruk said as far as he knew this was a

first time for this area and he has contracted for the train to be here five times. The local elevator has twenty-four hour period to load the twenty-five grain cars and have them ready for shipment. The units carries 85,000 bushels of corn, with each car carrying 3,500 bushels. Each car takes the local Hunting force of seven men form 12 to 15 minutes to fill.

A special bond election is being held Tuesday, October 9 to decide whether the Board of Education shall be authorized to issue bonds in an amount not to exceed \$400,000.00 for the purpose of raising money to provide funds for the construction of additional junior high school classrooms, band room, lunch room, locker room, heating plant and other facilities.

**1898**  
The county commissioners of Lincoln and Sioux Counties met at the Groth Ford Monday and after considering the matter, decided to put in a new steel bridge at that point.

One day recently, D. H. Houston had threshed on his farm at Hunter in less than ten hours time fully 4,500 bushels of wheat. The threshing was done by his large 44x64 threshing rig. The wheat was good pump No. 1 Northern wheat, yielding twenty-four bushels per acre.

Gabriel Vogeli has the agency for the sale of the celebrated Chautauqua desk in Pleasant township, this county and Prairie township, Union County. The desk is one that should be in every family.

# A LOOK BACK AT THE STORIES AND HISTORY OF LINCOLN COUNTY

For my column this week I'm going to use two more stories from Tom Reimer's recollections of growing up in Canton. He states at the beginning of almost 30 pages of these childhood memories that "my view of Canton and my childhood is generally very positive with many fond memories. Even, today, as I drive into the outskirts of Canton, I get a warm feeling and a smile comes over my face. I am sure I romanticize my childhood and memories of Canton but nothing in the past decades has done anything to diminish the love affair, and so, on it goes."

Reading this made me think of a time many, many moons ago that I drove a friend of mine who used to live here back to his new home in Tucson, Arizona. He'd flown into Sioux Falls and since I wasn't working at the time I thought a trip to much warmer climates in the middle of January was just what I needed. We took our time getting there heading west to the Black Hills and then down into Colorado where we visited Judy Deinema who was living high up in the Rocky Mountains at the time.

We eventually arrived in Tucson where the temperature was in the high 60's. After a little side trip down into Mexico I said goodbye to my friend and began my journey home. Tucson to Canton is a long drive especially when you are making it solo. I'll never forget coming down Lier's hill west of town and seeing Canton off in the distance for the first time in awhile. I had that same feeling and smile on my face that Tom mentions. I'd enjoyed my trip to Arizona but I was very happy to be back in this place I truly loved. I'd come home to my little town on the prairie- Canton, South Dakota. Happy Reading.

## Memories of a Kid from Canton

**by Tom Reimers**  
**Dr Nutter:** When I was probably 9 or 10 years old, the Methodists were building a new church. They had just started construction and there were several huge dirt piles. Nothing attracts a bunch of mischievous boys like dirt piles. Me and some friends were having dirt clod fights back and forth. One of my friends landed a perfect shot. Unfortunately, it included a pretty good size rock that was inside the dirt clod. It hit me square on the top of my head. I did not think much about it but then I could feel something on my head. It was blood. I was bleeding pretty good, so I figured I better head home. I got on my bike and started riding towards home. I got to the base of Millie's Hill where Dr. Nutter lived. I figured I'd save my parents a trip to the doctor, so I pulled my bike up to Dr. Nutter's front door and knocked on the door. Amazingly, Dr. Nutter was home.

He asked me what was wrong, and I showed him my head. Dr. Nutter put me in his car and took me out to the hospital and stitched me up. He then called my mom and explained the situation. Mom of course called dad who was at work in Sioux Falls. He was not too excited about coming home and quite frankly I'm not sure why he did. Anyway, nothing like small town doctoring.

**EO Lawrence-** I have many fond memories of my elementary school, E.O. Lawrence. It was named after a nuclear scientist who lived and grew up in Canton and eventually won a Nobel prize for physics. Unfortunately, that did not motivate any of us to follow in his footsteps. I genuinely looked forward to getting up and going to school every day. I loved the environment in the school. It was only 3 or 4 blocks from my house, and I of course walked to and from school each day. Like most kids in elementary school, I looked forward to getting up and spending time with my friends before, during,

and after school. Learning was just a bonus. I had many wonderful teachers and many fond memories of them. One of my favorite teachers was my 3rd grade teacher, Mrs. Lewis. She reminded me of Mrs. Landers on the old show Leave it to Beaver. She had this great smile and was very warm and caring. She was also very patient with kids like me. In those days I was constantly stuffing my pockets full of all kinds of things such as rocks, marbles, yo-yo's, super balls, and pocketknives. Mrs. Lewis was constantly telling me not to bring those things to school and eventually she started taking them from me. On the last day of school in 3rd grade, she called me to her desk. I figured I was in trouble for something and started checking my pockets, but they were empty. She smiled and handed me this huge box of all the miscellaneous things she had taken from me over the year. It was like Christmas. I had so much fun going through that stuff.

Tracey Zylstra, Librarian

The month of October will be a busy month here at the Library as we host Storytime Tuesday and Wednesday mornings, a movie matinee on Wednesdays, and LEGO club on Thursdays. We are celebrating Banned Books Week October 2 through October 7 with a game for all ages. We will be open on Columbus Day, October 9, offering a Harry Potter Screen and Scribble. The Prairie Threads Quilt Guild will be offering a new exhibit of their creations through the month of October, as well. There is so much to see and do at the Library... check it out!

**ADULT FICTION**  
**The Last Word** by Taylor Adams. After posting a one-star review for a poorly written horror novel, Emma Carpenter is dragged into an online argument with the author himself. When disturbing incidents start happening at night, Emma digs into his life and work and discovers a sadistic man who is capable of anything.

**The Paris Assignment** by Rhys Bowen (LP). Madeleine Grant marries French journalist Giles Martin, and they raise a son, Oliver. Paris is in the throes of war and Giles sends wife and son to London. A tragedy takes the life of Oliver and Madeleine joins the war effort. With hopes of seeing her husband once more, she travels to Paris. Her heart is filled with vengeance, looking to singlehandedly stop the Nazis.

**Out of Nowhere** by Sandra Brown. Brought together by a mass shooting at a Texas county fair, Elle Portman

and Caolder Hudson, both fueled by revenge, search for a killer while wondering if the attraction growing between them is too painful and complicated to sustain.

**The Unexpected Champion** by Mary Connealy (LP). John McCall meets Penny Scott, a woman who most comfortable in the woods, with a horse and a gun. They've been kidnapped by a shadowy figure looking for something they don't have and realize they are in grave danger. They make a daring escape so they can bring a powerful, ruthless man to justice, as they fight a very inconvenient attraction to one another.

**Backstory** by Susan Page Davis (LP). Stranded by a hurricane, the guests of a bed and breakfast are startled by the discovery of disappearing items and a grisly murder. It is time for the inn's owners and the local police to go into action.

**The Package** by Sharon Dunn. Annie Dawson and the members of the Hook and Needle Club are tracking down mysteries connected with a package they found in the attic of Annie's ancestral home.

**Love, Theoretically** by Ali Hazelwood (LP). Rival physicists collide in a vortex of academic feuds and fake dating shenanigans. He sabotaged the career of her mentor and undermined the reputation of many other physicists, and he stands in the way of her dream job. But can she ignore those long, penetrating looks and the way he puts her at ease when they are together. Will love overcome all else?

**Proving Her Claim** by C.K. Van Dam. A story of women who homesteaded in the Dakota's following the Civil War, and the heroism and tenacity displayed by these women as they make their way in the harsh, wide-open territory.

## Writers and Writing

By Michael Tidemann

## Rendon Offers Stark Realism

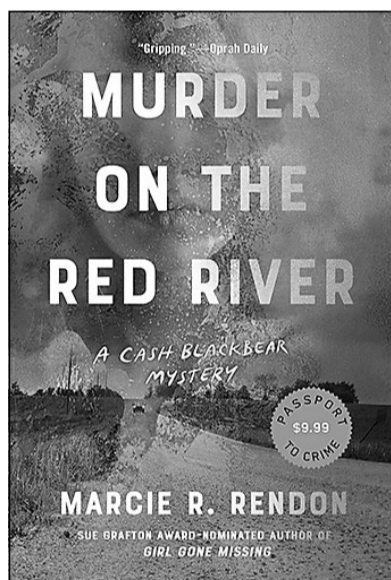

Murder on the Red River, a mystery by Marcie R. Rendon, a citizen of the White Earth Nation of Minnesota, offers stark realism and a sense of place that rivals the work of the late Larry Brown and David Rhodes.

The story set in the Red River Valley of North Dakota and Minnesota during the era of the Vietnam War is told through the eyes of Cash, a young woman of 19 who has already lived through a lifetime of hardship and grief as she was bounced through the foster system. In her epilogue, Rendon comments further on the inequitable treatment of native children not just in Indian schools in the 19th and 20th centuries but even until today.

Far from breaking her, though, Cash's background has only made her stronger. Cash has a mutual admiration society of sorts with her unlikely mentor, Sheriff Wheaton, a tough but fair lawman who respects Cash's native instinct and her ability to sift through clues and through her clairvoyance understand the experiences of others through space and time. In short, Cash has brought the best of her native culture to assist her uncanny ability to uncover clues to crimes.

Our first glimpse of Cash is of a female farmworker who can take care of herself. A seasoned pool shark, she can clean up the table. Similarly, when it comes to dealing with men, like Jim, her occasional married lover, she can take control and have the emotional upper hand. Readers need not be offended by Rendon's love scenes, however. She skirts over them like rocks skipping across a pond, leaving us impressions of what happened without the gory details.

Cash and Sheriff Wheaton join forces in the novel when a native man

is murdered. Cash envisions the man's last moments, and with clairvoyant clarity determines where the man once lived. When she goes to visit his widow to break the news of his death, his widow responds angrily to Cash, and that night tragically dies, leaving a houseful of children to fend for themselves. Cash steps in to try to help the fledglings, who themselves show amazing resilience.

When Cash investigates a second murder, she finds herself involved so deeply we wonder if she can ever escape.

Murder on the Red River is an amazing accomplishment by an author whose gifts promise even greater things to come. The book is first of the Cash Blackbear Mystery trilogy, so it's a great place to start experiencing Rendon and her remarkable gifts as a writer.

**ATTENTION NEW RESIDENTS--**  
 Contact the Chamber with your address and phone number, even if you use a cell number to be included in the phone book.

# Windmill Of My Mind

by Margaret Schultz

I have straightened up the desk, even dusted off the keyboard, gone thru some old papers, started to chew on my pencil, but it has lead in it, and, well, you know. I am debating about what I should write. I tend to get a little personal, but my world is small enough that personal is about all I know.

I could talk about the weather, but that gets old after a while. I mean it is nice to have cooler temps, but then trying to sit on the deck the no-see-ums (or can-sure-feel-ums, as I like to call them), quickly find you and bite the tar out of you. Besides, sitting outside reminds me of all the yard work I need to get at.

Oh, phooey. I'll quit beating around the bush and just talk about what I wanted to all along: our new great-granddaughter. Okay, you have been forewarned, so this is your chance to set the paper down or move on to the sports section.

Our oldest granddaughter, Jessi and her husband, Chad, have a perfectly wonderful little boy who is two years old. We are so grateful to have him because when he was born he appeared to be lifeless and was immediately whisked off to the NICU, before his mommy could even see or hold him.

There he resided for several days. It was a long, hard labor and delivery and was during Covid, so we could not go and visit either of them. Thank the good Lord, everything turned out great and he has delighted all of us ever since.

Ever since they shared with us that they were expecting another baby, I prayed day and night that this labor and delivery would be much, much better, with no drama. I know the Lord has many bigger issues to deal with, but I truly don't believe He minds if I tug at His sleeve and say, "And just one more thing, Lord: please make this all go perfectly."

Well, Jessi went in on Saturday evening and by Sunday evening, nothing much had happened. I finally fell asleep, hoping I'd hear something soon. I woke up several times during the night and looked at my phone to make sure I hadn't missed a message. Nothing. After about the third time, the Lord and I had a conversation – well to be honest, I did all the talking. I was tense and I got a little stern with Him. (Go ahead. Shake your head; roll your eyes; or open them wide with disbelief, and say, "Margaret, you didn't?") But I did and then raised both my hands Heavenward and gave everything to God. He actually had it all under control, but He let me think "even God doesn't like to mess with old ladies."

In the morning, I found a message from Jessi that their sweet little girl had been born. All was fine, and they just wanted to get a little sleep before sending pictures. BIG SIGH OF RELIEF and a big apology to the Lord for getting so snippy with Him. She was and is perfect, and if you don't believe me, just ask to see my pictures, and forty pictures later you will see that she is. Oh, did I forget to tell you her name? It is Raegan. Isn't that cute? Raegan Margaret, to be exact. I was bowled over when Jessi told me, My blessings just keep getting more and more abundant. And Bob? He is thrilled to pieces with both Carter and Raegan. God is so good and kind and we are so thankful!

# Bookish

By: Kala Hazelhoff

## Intensity by Dean Koontz

This tantalizing tale from 1995 has been a favorite of my mother's and mine. She recommended it to me while I was in high school since I have always been a fan of scary stories. I remember reading this fast-paced thriller curled up in my bedroom from start to finish one Saturday afternoon, simultaneously terrified and unable to stop turning the pages. This novel by Koontz differs from his normal supernatural tales and is a true "final girl" thriller. I recently re-read this and found myself just as enthralled as the first time, even though I knew the ending.

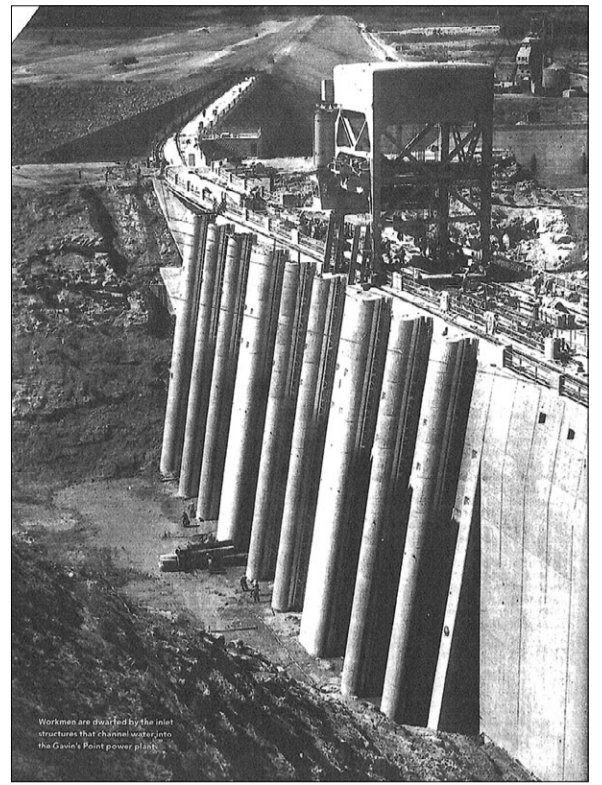

Chyna Shepard is a twenty-six-year-old woman, about to graduate from the University of California with her masters in psychology. She had a difficult childhood growing up, because of her mother's choice of unruly characters they spent time with. This troubling childhood is what led her to study psychology. She has learned much from her education and hopes she may finally be able to lead a normal life.

Chyna accompanies her friend Laura, to visit her family's home in wine country. Laura's parents feel like family to Chyna, even if it is her first time meeting them. She is warmed by the thought of being able to have people in her life that she could consider family.

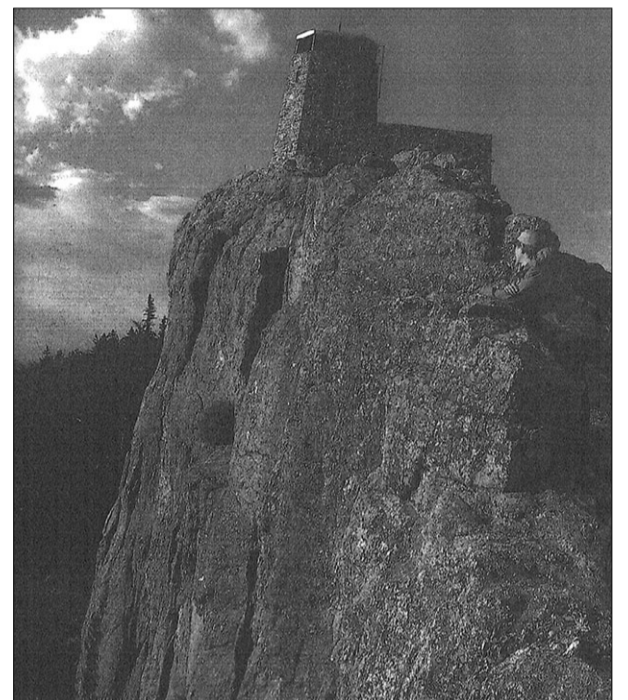

Little does Chyna and Laura know, the psychotic serial killer Edgler Foreman Vess has been waiting in the shadows, ready to pounce. He lives a life full of intensity, thinking he is untouchable by his own standards. Chyna hears screams in the middle of the night, after she has not been able to sleep for hours. She instinctively hides under the bed, and soon Vess' footsteps are seen walking past her hiding place. Her only objective now is to get out alive. Chyna almost escapes the formidable opponent, until she realizes she is the only one who may save his next victim.

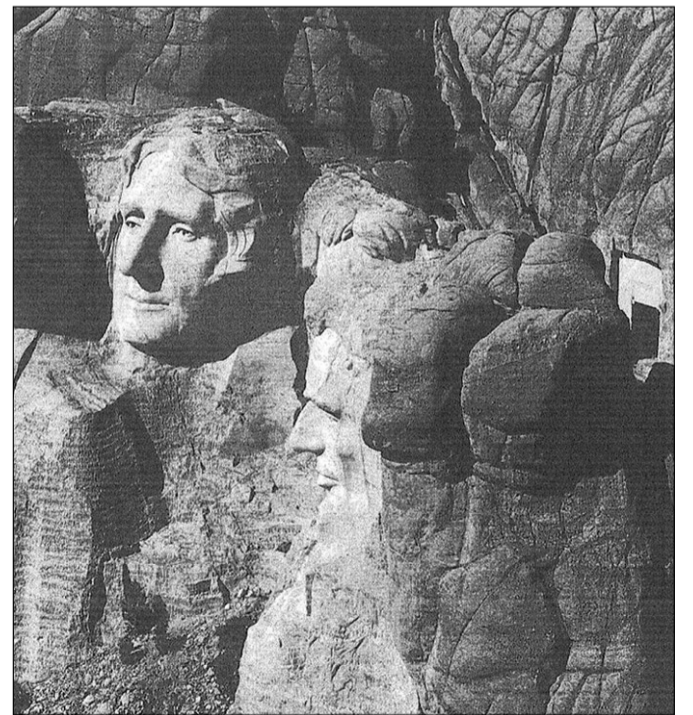

# OFF The Road With Jerry

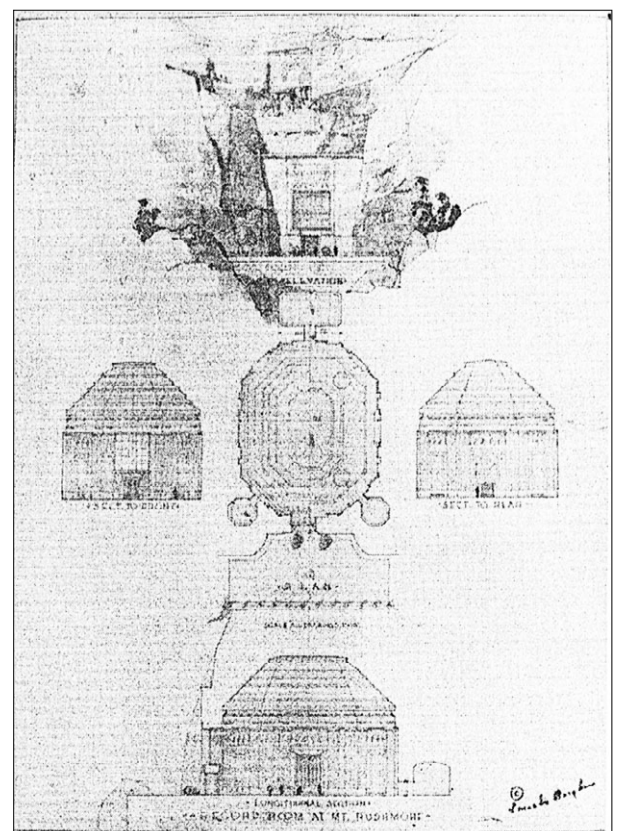

This is the picture of the bottom of Gavin's Point Dam at Yankton on the Missouri River is the deepest part of the Lake where the water rushes past these massive concrete columns and into the dam and turning the turbine water wheels. A lot of electricity is generated by this dam. The road on top is where the public drives to get across to the Nebraska side. There is a large truck parked on the river bottom and it shows just how massive these dams are. Gavin's Point Dam is considered to be one of the smaller dams.

Here is another spectacular view in S.D. Black Hills at Harney Peak, Now called Black Elk Mountain. This is the highest mountain in South Dakota at 7,240 feet. A ranger fire lookout tower is seen on the top east edge of the mountain. No one can really see this sheer drop-off cliff without being in a plane or helicopter. I climbed this several times and enjoyed it.

This picture of Mt. Rushmore was taken from a helicopter and on the right side is the big entrance of the Secret Hall. This can never be seen from down below and now it is against the law to climb the mountain.

These are drawings of the elaborate rooms to be built inside this large room at 100 feet by 8 feet. The designer wanted a 800 foot granite stairway, that would start on the backside of the mountain behind Lincoln's head. This big door is 20 feet high and 14 feet wide. The designer wanted a giant cage mounted above the door with a wingspan of 38 feet.

# The Buffalo Roundup: The Heart of the Wild West

By: Governor Kristi Noem  
September 29, 2023

Teddy Roosevelt is one of my favorite presidents. He embodied the spirit of Freedom. He cared about stewarding the land. And he appreciated the beauty of this nation. President Roosevelt said, "the farther one gets into the wilderness, the greater is the attraction of its lonely freedom." That is exactly what South Dakota offers.

President Roosevelt spent a lot of time in the Dakotas during his life. And there is one event that we do every single year here in South Dakota that I just know he would have loved. It is one of my favorite days of the years – the Buffalo Roundup.

The Buffalo Roundup really shows what South Dakota is all about. It incorporates South Dakota' culture, heritage, outdoor spirit, and our passion for Freedom. The event takes place every year on the last Friday in September in Custer State Park. Custer State Park is home to a herd of about 1,400 bison. Rounding up these bison is not only a spectacular sight to

see, but it is also critical to maintaining a strong and healthy heard.

Back in 2016, when I was serving as South Dakota's lone member of the U.S. House of Representatives, I led the efforts to name the bison as America's National Mammal. This was a huge accomplishment, especially after the bison came so close to extinction. It is estimated that the bison population in the United States reached an all-time low in 1884, when fewer than 1,000 were left in the country. Now, after more than a century of conservation efforts, there are more than 500,000 bison in the United States!

The Custer State Park bison herd has contributed greatly to those efforts. When South Dakota legend Scotty Philip started the herd, it was one of the few herds left in America. Because of that long history of strong management, our herd has some of the best genetics in the country. Each year, we sell some of these bison to intersperse their genetics with those of other herds to improve the health of

the species' population across the nation.

The state of South Dakota is a special place – and the Buffalo Roundup is truly a testament to the spirit of conservation in our state. We are a state still believes in the beauty of the American Dream. We believe that you can pull yourself up by the bootstraps, put in a little hard work, and make anything possible for yourself. We still prioritize American values. Our small-town way of life makes people feel comfortable – like they're back somewhere safe and familiar.

We value tradition, and we value the great outdoors. All of this is why we continue to host the Buffalo Roundup year after year. The Roundup is a tradition unlike any other. It's a once-in-a-lifetime experience that you can only get here in South Dakota.

Teddy Roosevelt talked about the "lonely freedom" of the wilderness. Well, South Dakota is the Freest state in America – so I can't think of a better place to enjoy the Freedom of the Wild West than right here.

# Dave Says: What's Fair to Everyone Concerned?

Dear Dave,

About a year ago, my husband and I offered an empty house we own to a young man at our church, who had lost his home and everything he owned in a fire. He has taken good care of the place, but has made no effort to pay rent. We don't need the money, because we're in good shape financially, and we were thinking about selling the other house, anyway. I'd like to simply write it off, and gift the home and title to this young man, but my husband feels he owes us something for putting a roof over his head all this time. What are your thoughts?

Penny

Dear Penny,

I think you and your husband have good hearts. I also think you handled this situation poorly.

From the sound of things, you put him there originally on a charity basis, and now your husband wants to change the deal. You didn't set up any kind of rental agreement, but your husband feels you two are owed something? I'm sorry, but no. That's on you.

At this point, you have some big decisions to make. Were you providing free housing to someone who was struggling, or were you providing a free house to someone who was struggling? I understand this young man experienced a terrible tragedy. But at the same time, I'm not hearing lots of evidence that he's putting his life back together. If after this long the guy's not back on his feet and out on his own, you may be enabling bad behavior on his part.

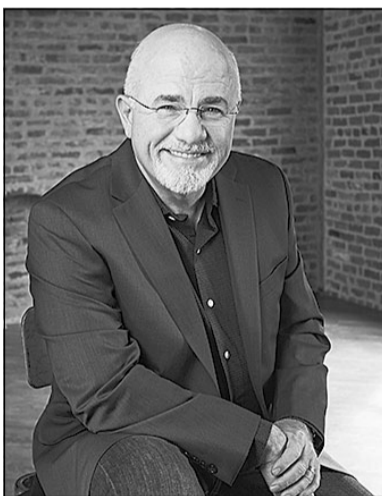

Now, if you want to gift him the house, that's your decision. If you want to approach him with a rental agreement or sale proposal to which all parties are amicable, that's okay, too. If neither of these ideas are in the cards, I'd make sure to sit down with

this young man and have a gentle—but firm—talk. I'd let him know I had been happy to help him over the last several months, but that he needs to start moving forward with his life. I'd set a very reasonable and patient timeline for a move-out date, and let him know once that time is up, I'll be selling the house.

That's fair to everyone concerned.

— Dave

# Steffensen Headed to State Cross Country at Lennox Invite

The Canton Boys Golf team played in the Region 2A golf tournament on Monday, September 25th down at The Pointe Golf Club in Elk Point, SD. Qualifying for the State Tournament was Carson Steffensen firing a round of 76. That placed him in a tie for 2nd. The State Tournament will be held on Monday & Tuesday, Oct 2 & 3 out at Hart Ranch Golf Club in Rapid City.

## Sportstalk

By Rich Beitzel

I want to wish Carson Steffensen good luck as he heads out to Rapid City this week for the Class A State Golf Championship at Hart Ranch Golf Course. Carson is teeing off at 9:30 am the first day. Good luck.

Friday night in Madison I drove the bus and was treated to my favorite kind of football and I mean a serious ground attack. I saw on the stats sheets that I got from Coach Lundstrom for the story that we rushed for over 400 yards and most from Canaan McCracken and Cain Wallner. Canaan ran for 192 yards and Cain 180 and each carry in the 2nd half were fun to watch when they would run them over and then out run them to the end zone. The scores I like are the ones where one of them would run into the end zone with a couple tacklers on their back going into the end zone with the runner. We got some good carries from them and Teague joined them too so luckily we got to see a lot of that stuff after halftime.

In the first half Madison was all over the field and we were trying to catch them as they passed all over the field and we didn't seem to have an answer for any of that but we started getting after the quarterback more later in the game and we grabbed a couple interceptions from Matt Anderson and Keshon Smith and they were very timely as we needed to stop to get the momentum back on our side and we did get it back. The Hawks got good blocking and most of the time we found a hole to get a back thru but as the game went on we seemed to wear them down and get them out of our way so we could move on down the field. Nice win Hawks and sometimes you can't look at their record because they are going to try hard every game like we do so every win is a hard fight so remember that the rest of the season. Lets get ready for Vermillion Friday and yes it is our last home game so fill up the bleachers and get out and cheer on the Hawks for another victory.

Oh yea you are going to have to yell extra loud because I will be still in Texas with my newest granddaughter Nora as I have been all week. I don't seem to be able to get enough snuggling time with her and now I just want to hang out with all 3 of my grandkids a lot more. I look at some of you with the grandkids and I see happiness every time and now I know why you are always happy. I talked to Craig and Lee Stearns at our class reunion over homecoming and they are waiting for number 17 to be coming soon and I thought holy cow I just hope I will be able to remember 17 different names by then. Seeing Emily and Dylan has been a lot of fun and throw in Nora that tops it all off so enjoy your week and I will give Nora a hug for everyone of you who reads sportstalk.

Canton participated at the Lennox Cross Country Invite last Thursday.

# The 437 Project Raises \$251,007 for Helpline Center

SIoux FALLS, S.D. - On Sunday afternoon during this year's The 437 Project Finish Line Celebration, The 437 Project presented a check to Helpline Center at Levitt at the Falls for \$251,007.93. This donation is a summation of sponsorships and public donations, and makes The 437 Project's total donation to Helpline Center \$371,942 in two years.

"I was speechless when The 437 Project runners announced the total amount of the donation to the Helpline Center," said Janet Kittams, CEO of Helpline Center. "This represents the largest financial gift that the Helpline Center has ever received. This gift ensures that the Helpline Center can continue to provide hope and help across the state for our work in suicide prevention, crisis support

and grief after care. Our hearts are overflowing with gratitude."

The 437 Project was born of a passion for bolstering both physical and mental wellness and the often overlooked connection between the two. This year's project began Thursday, September 21 at the Wyoming/South Dakota Border, where 12 runners took turns relay-style running across the state of South Dakota. Along the route, The 437 Project team stopped in Rapid City, Pierre, Mitchell and Sioux Falls to share their stories with those communities, offer mental health resources, and ask for donations. The team finished the 437-mile journey at the Iowa/South Dakota Border Sunday, September 24.

The Helpline Center answers mental health and suicide related calls on the 988 National Suicide

Prevention Lifeline. The Helpline Center supports over 100,000 people every year by connecting individuals to resources and support, providing referrals, building community volunteers, offering hope to individuals with thoughts of suicide and supporting families bereaved by suicide loss. The Helpline Center is the only entity in the state accredited by the Alliance for Information and Referral Systems and the only organization in the state that provides a certified crisis line through the American Association of Suicidology.

For more information about The 437 Project and this year's runners and sponsors, visit [the437project.org](http://the437project.org).

# September was Suicide Prevention Month

PIERRE-- Governor Kristi Noem has proclaimed September as Suicide Prevention Month in South Dakota. This month is a time when South Dakotans join their voices to raise awareness of suicide prevention and renew efforts to make individuals aware that help is available.

"People who are experiencing thoughts of suicide can find healthy interference from this grave burden when someone simply asks them if they are 'okay?' and then listens without judgement," said Department of Social Services (DSS) Cabinet Secretary Matt Althoff. "Ongoing, consistent support matters. It helps these individuals to realize how appreciated they are. Recognizing the importance we hold in the lives of others can serve as an essential, life-saving antidote to thoughts of self-harm."

In 2021, there were 202 suicides in South Dakota, the highest recorded, according to South Dakota Department of Health statistics. In 2022, the number of suicides dropped by 5 percent.

"Through the example of the DSS's 'Notes to Self' awareness campaign, we are hoping to show South Dakotans that small acts can make a big difference in someone's journey" Althoff said.

To learn more about 988 and how to support someone, visit [SDBehavioralHealth.gov](http://SDBehavioralHealth.gov).

Additional resources:

South Dakota Suicide Prevention: [SDSuicidePrevention.org](http://SDSuicidePrevention.org)

South Dakota Treatment Resource Hotline: 1.800.920.4343

The Helpline Center: [HelplineCenter.org](http://HelplineCenter.org)

The easiest way to find out if someone is in crisis is to just ask. Even someone who appears happy on the outside could be experiencing a mental health challenge or suicide crisis.

Some tips on what to say:

What's on your mind?

You don't seem like yourself. Is everything okay?

I care about you, and I'm here to listen.

Can we spend some time together?

I'm grateful to have you in my life.

If someone is thinking about suicide and they've voiced a plan, keep them safe by being physically present with them or connected via technology. Help separate them from the situation or anything they could use to hurt themselves. Encourage them to seek professional support and offer help in ways you're able to, such as contacting 988 together. 988 is available through call, text, or chatting online at [988lifeline.org/chat](http://988lifeline.org/chat). A South Dakota-based crisis counselor will be there to offer support.

# I Heart 4-H

By Wendy Sweeter, Lincoln County 4-H Program Adviser

As we start October, we start a new 4-H year and National 4-H Week, which runs Oct. 1-7. The 2023 theme, I Heart 4-H, is a perfect description of what 4-H youth and alumni feel.

I share the feeling of loving 4-H. I grew up in the middle of a family of six kids in Minnehaha County. My mom and grandma grew up doing 4-H, so my experience goes back a long way.

My love of photography got its start as a 4-H'er. I started with a point and shoot film camera and by high school worked my way up to a film DSLR. I gained confidence in my photography skills as I got older and when I got to high school decided to be on the yearbook staff. My work on yearbook solidified my desire to go into journalism. Today, I continue to enjoy photography and continue to shoot for the newspaper and in my daily life.

With 65 project areas, kids are sure to find something they can grow their love for. From animals to robotics to art, youth ages 8-18 can explore and find their passion.

My other passion in 4-H was livestock judging. When I started as an 8-year-old, I was scared to talk

in front of anyone and didn't know what I was doing. As the years progressed so did my confidence in speaking in front of others and my knowledge of what to look for in good livestock did as well. Any judging contest helps a participant use what they know to make a decision. Sometimes that decision may not match the official, but they still learned why a class was placed the way it was for reasons that might be different than theirs.

Today, my two children are finding their passions, along with the many other 4-H'ers in Lincoln County and across the state. So far, they are finding their love of poultry, rabbits, pigs, dogs and cooking. Many others are finding

their spark through shooting sports, rodeo, public speaking, STEM and community service.

Help your kids find their love of 4-H! Happy National 4-H Week!

As we move throughout the 4-H year, look for a 4-H column every month to learn more about what experiences youth can take advantage of through the program.

To learn more about the 4-H program, visit <https://lincolncountysd.org/256/4-H> or <https://extension.sdstate.edu/southdakota-4-h>. Contact the Lincoln County 4-H Office at 605-764-2756 or [lincoln.county@sdstate.edu](mailto:lincoln.county@sdstate.edu). To enroll in 4-H, go to <https://v2.4honline.com>.

## 4-H Dakota Farmers Held Meeting

Dakota Farmers held their September monthly meeting on Sept 24th at the Methodist church. We started off making display boards to put up at Security Saving Bank, Farmers States Bank and the Library for National 4H week which is Oct 1-7th. The meeting was called to order at 7pm. Pledges were done and secretary and Treasure reports were read and approved. It was talked about on what the County is doing to National 4H week and members are highly encouraged to visit their facebook page for contest that are held through out the week. Lincoln County 4H clubs will be visiting a pumpkin patch on Oct 1st.

we talked about decorating a tree at the PAC again this year and will be making ornaments at the Oct meeting. Also talked about the experience of members at the county and states level this year for fairs. The 4H recognition banquet, which will be held Oct 29th at 4pm in Lennox, was talked about and that members that are wanting to apply for awards need to get their record books into the extension office by Oct 16th. The new 4H year starts Oct 1st so anyone that is interested in joining or have any questions please reach out to the Lincoln County Extension office. The meeting was adjourned and the following members

gave a talk:  
 Raegyn Ockenga-about her bunny Cocoa  
 Christopher Konda-how to take care of a cat  
 Gavyn Ockenga-about highland cows  
 Tasyn Ockenga-how to change oil in a car  
 Camdyn Ockenga-pros and cons of Nitroxide in cars  
 Tessa Thompson-how to make Grape Jelly  
 Jewel Gannon-how to show a pig  
 Cain Gannon-about Hereford cows

Submitted by Kenna Kitrell-Reporter

## 5 Advantages Local Business Have Over the Competition

Small businesses on Main Street and big box chains have been competing for consumers' attention for decades. Historians say that big box stores were born in the early 1960s when Wal-Mart, Target and Kmart entered the retail landscape. It's been more than 60 years since these chains arrived and they certainly have garnered their share of devotees. Big box businesses have size, inventory and often price on their side. However, when consumers look beyond those factors, it's easy to see all of the benefits small businesses offer that behemoths cannot.

### 1. Passionate owners and operators

Walk into a big box store or other business and you may find a handful of dedicated employees, but not quite at the level of small businesses. Small business owners prioritize the customer experience because they know they need to work hard to retain customers. This translates into knowing the products well, and sharing as much knowledge as possible with customers. Big box businesses vulnerable to heavy staff turnover often do not have a vested interest in the brand.

### 2. Work the local niche

What makes big box retailers so familiar to shoppers is one can stop in a store in the middle of Nebraska and likely find the same items as a store in Hawaii, with only a few subtle differences between the locations. Big box companies work with the same suppliers and ship the same products all over the world. Customers seeking personalized items and services for their particular regions are better off utilizing local small businesses that can bring in regional vendors more readily.

### 3. Better shopping experience

Big box stores draw customers during peak times when they're home from school or off from work. That often translates to long lines both at checkout and at customer service or return counters. By contrast, there may be no apparent rhyme or reason to when shoppers visit small businesses, meaning there likely will not be crowds. It's much more pleasant to browse wares without having to contend with shopping cart traffic and people blocking aisles.

### 4. Advanced technology

Big box companies have invested millions of dollars into their point-

of-service systems and other technologies, which means it can be a very slow transition to new options as times change. Small businesses generally can shift to newer, better technology more readily because they do not have to do so on the same scale as their larger competitors.

### 5. General agility

Changing technology on a dime is not the only ways small businesses excel. They can experiment in other ways, such as a home contractor

offering a special price deal for a certain period of time, or a clothing store experimenting with new in-store decor. Big chains cannot pivot that quickly, and any changes must be approved by corporate and implemented across all centers.

Although small businesses may have a tough time beating big box retailers on overall price, there are many other advantages such enterprises have over the competition.

## Lincoln County 4-H Results from State 4-H Livestock Judging Contest

The Lincoln County 4-H junior livestock judging team placed second in overall, in sheep and goats and swine at the state livestock judging contest. Team members are Jade Twedt, Bellamy Westra, Allie VanKekerix and Bode Sweeter.

LENNOX, S.D. - Lincoln County 4-H'ers competed at the state 4-H livestock judging contest Sept. 16 in Brookings.

### Seniors

The senior team, comprised of Karin Sweeter and Minnehaha County's Josie Johnson and Kendall McAreavey, placed fourth overall. They were also fourth in swine, beef, sheep/goats and reasons.

Karin Sweeter was 20th overall.

### Juniors

The junior team, comprised of Bode Sweeter, Jade Twedt, Allie VanKekerix and Bellamy Westra, placed second overall. They were also second in sheep/goats and swine, and fifth in beef and reasons.

Bellamy Westra was sixth overall, fourth in sheep/goats and 10th in beef and swine.

Jade Twedt was 12th overall, 10th in sheep/goats and 13th in beef and swine.

Allie VanKekerix was 16th overall, fourth in swine and sixth in sheep/goats.

Bode Sweeter was 14th in sheep/goats.

The Canton VFW Auxiliary #3164 is excited to promote a program this year for any student grades K-12 singing the Star Spangled Banner. For more information, you can email us at [vwfvaux3164@gmail.com](mailto:vwfvaux3164@gmail.com). Here is the link to it: <https://vwfvauxiliary.org/wp-content/uploads/new-Red-White-and-Blue-Singing-Contest-entry-form-1.pdf>

### Get Excited for the Red, White and Blue!

#### National Anthem singing contest

An individual singing contest for youth in grades K-12 at the time of local entry, and a U.S. citizen or U.S. national. Youth learn the words to "The Star-Spangled Banner" while expressing their creativity. The contest highlights the vocal talent of young people while promoting patriotism.

Entry will be judged on vocal ability, mastery of lyrics, originality or interpretation and entertainment value.

The contest consists of two grade divisions: K-8 and 9-12. There is one National winner in each grade division, with awards for first, second and third place in each grade division.

You Will need Parent/Guardian Signature  
 Deadline is March 25, 2024

# “Is this essay really yours?”

## AI, ChatGPT and the College Essay; Authentic writing in the age of Chatbots

By Virginia Olson

As a high school senior, how would you answer this essay prompt for a college or scholarship application?

Our university is a learning environment that affirms identities and experiences and prepares graduates to work towards a more just and peaceful world. Write about how your experiences, perspectives and hopes for your college education connect to our mission.

This university’s topic requires students to get personal and apply their lives to the answer writing a 650-word essay.

For high school seniors, September marks the official beginning of college application season. Scholarship applications have the same narrow window. Both share a common thread – cohesive essay writing is crucial.

But as many students will admit, it’s not easy to create an articulate response. For some, it is more like “spinning their wheels” when it comes to content and organization. Applicants may be able to verbally provide a good answer but writing it down with style is another matter.

Though difficult to compose, those college essays have purpose. College Admissions officers want to learn who this person is, will this person contribute something of value to their campus and, finally, can this person write?

Of late, a new technology has posed a new wrinkle for the admissions process. It’s called ChatGPT, an artificial intelligence (AI) chatbot function that generates writing including college essays. But it’s not just college. What about those high school English writing assignments? As AI is sweeping the world and becoming a reality, Harrisburg High School is meeting this new essay writing dilemma straight on.

### What is Chat GPT?

Last November the software company OpenAI released the chatbot program ChatGPT which transcends the traditional chatbot function of imitating a human conversationalist. The free tool lets people enter prompts and receive human-like text in return.

In addition to creating software and answering questions, ChatGPT can generate poetry, letters, news stories, compose music and play games. It also generates essays. Because it can produce sentences and paragraphs of “humanlike” writing, it has garnered lots of attention in the education community. This fall those required college essays, which are supposed to be authentic and reflective of the writer, have become one of the first real tests of how much ChatGPT will be used or abused.

### Proceeding with caution

“Artificial intelligence, like other ground-breaking technologies, is certainly something we cannot ignore,” said Dr. Michael Amolins, Director of instruction. “It will play an intimate role in our future, and, as such, we need to embrace the future while also proceeding with caution.”

Amolins believes AI can’t be ignored especially since students have discovered ChatGPT. Educators need to get educated he says.

“I look forward to learning alongside my colleagues and our students to develop a meaningful, ethical and effective strategy for integrating AI in our schools and our communities.”

### Scrambling to navigate the new technology

Principal Ryan Rollinger is passionate about AI at the high school and has met with teachers on the subject. He believes ChatGPT

is a powerful tool and form of technology that is already changing learning environments. He has taken a positive approach for its uses.

“I am so glad the collective we have embraced is that we see this as a tool rather than banning its use and labeling it as a cheating resource only,” said Rollinger. “There will be challenges along the way, but I think our path is a good one.”

Rollinger has encouraged his ELA teachers to responsibly integrate ChatGPT into their classrooms and augment their lesson plans. His recommendations: set classroom norms on the use of ChatGPT; establish a baseline of students’ writing skills; and help students evaluate the credibility of arguments and language choices.

“I am recommending that teachers model its use with their students,” he said.

### All about self-expression

Senior English teacher Cheryl Geraets currently wrapped up teaching the college scholarship essay. She was well aware of ChatGPT and its accessibility.

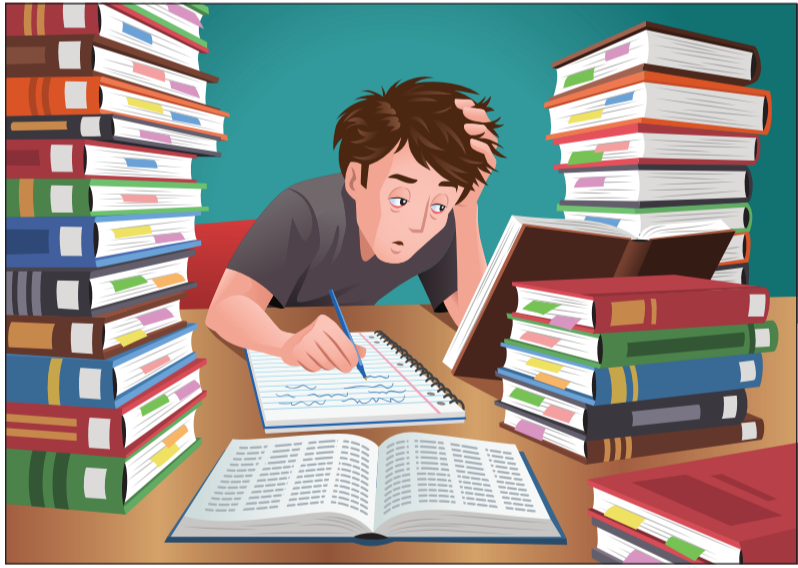

“Writing in today’s world is difficult enough, with the advancement of technology and the ease of accidentally or intentionally plagiarizing always a possibility,” she said. “Yet, the ease of AI is proving to be a means to quickly write an essay without any ‘self-thought’ process.”

Though Geraets believes AI is great for businesses such as advertising and making peoples’ lives easier, as an English teacher she has a more pragmatic view. More importantly, she wants her students’ writing to be authentic.

“I still want to see self-expression come through my students’ writings – to see their minds working to absorb materials and thinking for themselves. AI can assist, yet self-expression and thought processes are necessary for students to be able to communicate to others their own ideas and opinions.”

“It’s easy to write. Just sit down in front of your typewriter and sweat blood.”

~ Hemmingway

## HARRISBURG NEWS BRIEFS

**Another Cliff Avenue Road Project from Foundation Drive to Black Dog Storage begins October 5.** Work will include an asphalt overlay on Cliff Avenue. Kent Street is facing repairs as part of the Cliff Avenue overlay project as well. The Kent Street overlay is scheduled the week of October 2 and will open shortly after.

**The Roundabout continues to take shape.** The roundabout has a clear shape as road pavement has been completed including the colored crosswalks and the center truck apron. Its scheduled completion date is November 2. Asphalt on Cliff Avenue will be completed tying it to the roundabout. Sidewalks will be poured this week.

**“Hydrate Your Mind” writing series.** Don’t let your skills dry out! Discover ways to keep your creativity flowing. A Harrisburg Community Programming event, the three Sunday classes will happen October 15 – The Legacy Letter; October 22 – “Voice”; October 29 – Nature Writing with a full moon guided walk outside (weather permitting). Check out Harrisburg Community Programming to sign up online.

**Enjoy the fall days in Harrisburg** – reserve a shelter at one of the parks. The city wants the community to get outside and take advantage of its free shelters at its area parks. Check out the city website under “events” and “reserving a park.” It’s free.

**Rake the Town is back.** The annual Rake the Town event, hosted by the City of Harrisburg Parks, Recreation & Forestry Board, Active Generations and Workers on Wheels will be held October 29 – 28. If you have a disability or are senior citizen in need of help raking your yard, you are eligible for Rake the Town. Registration is open. Call Larry Klipfel at the City of Harrisburg to get signed up at (605) 767-5078.

## Veterans Parkway Construction Continued

Continued from front

### Touch ups North Veterans Parkway

North Veterans Parkway is mostly complete from I-90 all the way to 57th Street. The stretch from Arrowhead Parkway north to Madison Street is not the full six lanes width like the rest of Veterans Parkway but that will change in 2025. Also in 2025 and part of the Veterans Parkway Project is the plan for a new intersection for Arrowhead Parkway.

### Growth and growing pains

Construction of Southern Veterans Parkway will cost \$210M with state and federal dollars paying roughly \$176M and the city of Sioux Falls paying \$33M. Though the road runs between both Sioux Falls and Harrisburg, Sioux Falls will be responsible for the snow removal and maintenance.

Sioux Falls city officials projected that by 2040 Sioux Falls will have grown to the south as far as it is able before bumping up against the Harrisburg boundary. And just like 57th Street is the boundary of Lincoln County and Minnehaha County, the division between Harrisburg and Sioux Falls will simply be two sides of the Veterans Parkway artery.

### Something new – A program management team

Because of the size and scope of the project, the SD Department of Transportation (SDDOT) in 2021 selected HDR engineering to provide the program management of South Veterans Parkway. The Sioux Falls-based firm makes sure the project is moving along providing environmental services, real estate acquisition, data collection, strategic communications and preliminary and final services.

The \$210M road project is the first in the state to use a program management approach to get to the finish line. Not only does HDR help to accelerate the timeline, the firm assists SDDOT in oversight avoiding the need to hire multiple consultants to deliver different services.

“After Veterans Parkway was connected to I-90 in 2020, the SDDOT and the City of Sioux Falls agreed to cooperatively finish the remaining eight miles of South Veterans Parkway by 2027,” explained Shannon Ausen, Civil Engineer at the City of Sioux Falls. “We learned many lessons from the first eight miles from 57th to I-90, and we agreed we needed to find a more efficient and faster delivery method to bring the last eight miles to construction.”

“Program Management allows all the project elements (final design, right of way services, environmental approvals, communications, construction inspection, and actual project coordination) to be managed by one consultant team and allow work to be done simultaneously improving communications.”

The City of Sioux Falls, SDDOT and the Federal Highway Administration still ultimately approve the final product Ausen added.

### Ausen feels Project Management was a good decision.

“South Veterans Parkway is a unique project and the SDDOT and the City needed to deliver a more efficient and timelier product to maintain the community excitement of the overall project corridor,” she said. “Overall, Program Management has proven to shorten the typical design/bid/build process for an eight-mile corridor by at least three years, allowing the community and region to benefit from this new roadway earlier.”

# Down Memory Lane Canton C-Hawks

From the September 12, 1963 edition of the Sioux Valley News

## Hawks Topple Beresford in 19-0 Rout

Canton High stunned Beresford 19-0, in the season's opener here Friday night.

The C-Hawks scored twice in the second period. Greg Eiesland had runs of 40 and 58 yards for the TD's. Doug Dittberner ran the extra point on the first touchdown. The second score was set up by Bill Bogue's interception of a Beresford pass.

John Eidsness scored from eight yards out in the last quarter for the final TD. Eiesland had 185 yards rushing in 17 carries, and the team total was 278 yards. Beresford totaled 105 yards rushing and 12 passing.

The Hawks passed once, unsuccessfully. Beresford completed one of eight, with one interception.

Ron Johnson led the Canton defense with 13 tackles, followed by Craig Van Bockern, Danny Nelson and Dennis Vander Sluis with 10 each. Jim Lounsbery was in on every

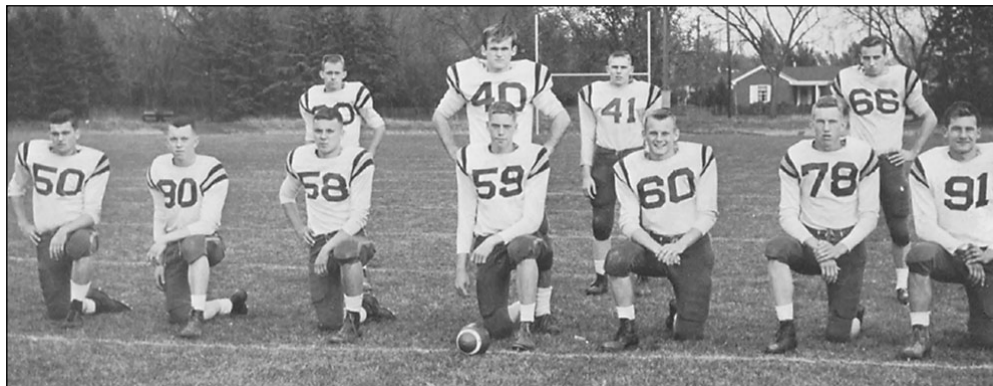

kickoff tackle. Nelson was outstanding on pass defense, and credit for recovering a fumble went to Dave Martin.

Beresford threatened twice during the game, but was halted by penalties both times. The visitors had 45 yards in penalties, while Canton was penalized only 20.

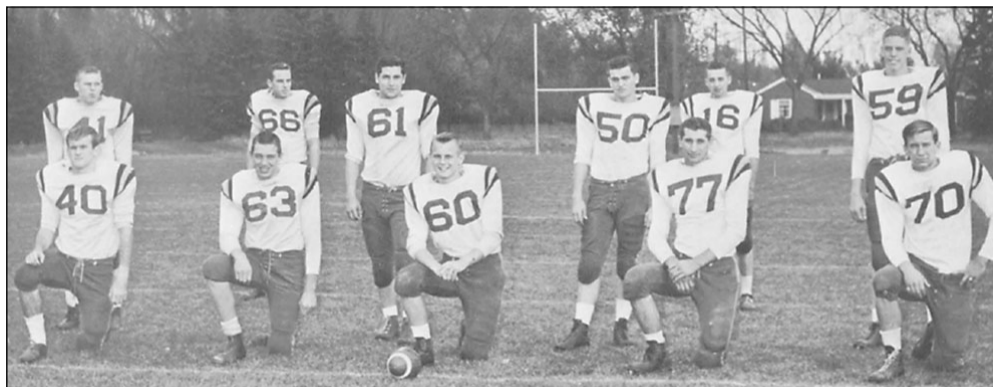

The Hawks held Beresford to 7 first downs, while making 13. The number of plays was virtually even, with Canton running 47 to 48 for Beresford.

Coach Burdell Coplan expressed satisfaction with most phrases of the game, but said "we need a lot of work on pass protection and our down-field blocking left much to be desired."

The C-Hawks journey to Brandon next Friday. The coach indicated Brandon has a big, rangy team, "and they like to throw. Other than that we don't know too much about them."

**Offensive Team** - left to right; Danny Nelson, Gwen Thompson, Leon Yelinek, Greg Eiesland, Bill Bogue, Ron Hines, Doug Dittberner, Ron Johnson, Jim Lounsbery, Gary King and Bob Orstad.

**Defensive Team** - left to right; Ron Hines, Doug Dittberner, Denny Vander Sluis, Gary King, Jack Suter, Ron Johnson, Danny Nelson, Don hammer, John Eidsness, Bill Bogue and Dave Martin.

From the September 19, 1963 edition of the Sioux Valley News

## C-Hawks Down Brandon

Canton ran over Brandon Friday night, 28-0. Scoring started in the first quarter, with the Hawks taking the kickoff and moving down the field on a series of line bucks. Greg Eiesland scored from the eight, Robbin Bong made the point, and the Canton squad was ahead to stay.

Bong scored from the ten in the second quarter, with Scott Freeman going over for the extra point, and Eiesland made the final two TD's, one later in the second and the final in the last quarter.

Extra points were scored by Doug Dittberner and Rob Hines.

Brandon started a couple of drives on passes, but was unable to keep it up. The team completed five out of twelve pass attempts for 44 yards, but lost two to interceptors John Eidsness and Bill Bogue.

Hines and Danny Nelson led the C-Hawks

defense with nine tackles each. Nelson also picked up a fumble, as did Ron Johnson. The Brandon offense was held to 73 yards on the ground, while Canton made 208.

The Hawks ran off 59 plays to Brandon's 43, and held a solid edge in first downs, 14 to 5. On the debit side Canton was penalized 40 yards to Brandon's 10.

Coach Burdell Coplan commended the entire defensive unit, and Hines in particular, for putting pressure on the passers and breaking up the Brandon offense.

The Hawks play at Lennox Friday night at 7:30. Coplan said, "we don't know much about Lennox, but they always give us a battle over there."

Tackle Craig Van Bockern, who was put out of the action Friday night by a leg injury, was still on crutches Tuesday, and it is doubtful that he will be able to start against Lennox.

From the September 26, 1963 edition of the Sioux Valley News

## Canton 34, Lennox 6...

## C-Hawks Prepare for Milbank

Canton High readied for undefeated Milbank this week after walloping Lennox 34-6 Friday night.

The homecoming tilt, which begins here at 7:30 Friday, will pair the Hawks with a team which has won 44 straight and knocked off Canton last year 21-7.

Canton scored in all four quarters at Lennox. Greg Eiesland led off the TD parade with a two yard run in the first and made his own extra point.

Doug Dittberner went into the end zone from three yards out in the second period. A Ron Hines to Danny Nelson pass was good for the point.

Lennox fought back with a series of passes late in the first half, and made their only score on a 35-yarder from Alan Rops to Doug Skie. The point try failed.

Eiesland scored from the 37 early in the third, and a run by John Eidsness was good for the point. The fourth TD came on an eight-yard run by Dittberner in the same period. He ran again for the point.

Gary King, back in action for the first time this year, showed his speed on a 52-yard dash, leaving several Lennox defenders in the

dust. The point try failed.

The Hawks chalked up 259 yards rushing and 17 yards on two of three pass tries. Lennox made 63 yards on the ground and 58 in the air, completing 4 of 10. Bill Bogue knocked down five of the Lennox passes.

Canton had 30 yards in penalties to 5 for Lennox. Coach Burdell Coplan indicated dissatisfaction with the penalties and some C-Hawk fumbles. "We'll have to cut these down if we intend to stay in there against Milbank." He said.

Denny Vander Sluis and Jack Suter led the Canton defense with 15 and 13 tackles respectively. The coach commended Don Hammer for his defensive work. "He played only a quarter and got five tackles," Coplan said.

Vander Sluis set a new mark for the season. The previous high was 13 tackles, set by Ron Johnson in the Beresford game.

Also winning praise were Leon Yelinek, who blocked a Lennox punt, and Nelson and Dave Martin, who each recovered a fumble.

"Milbank is coming to town with 44 straight, and we hope to be ready for them," the coach said.

From the October 3, 1963 edition of the Sioux Valley News

## Hawks Beat Milbank, Face Hawarden

Canton cut Milbank's string Friday night.

The holders of the state's longest win record, 44 games, went down 13-6, in a game that kept the overflow crowd bobbing up and down all night.

The C-Hawks touchdowns came in the first and third quarters, as Gary King and Doug Dittberner went over from the 2 and 37 yard lines, respectively. Milbank's TD was scored in the final period by quarterback Randy Settle.

Canton received the opening kickoff, but punted four downs later. The Hawks then held Milbank, and took a punt at midfield to start their initial touchdown drive.

A fourth-down gamble paid off for a first and ten, and the team worked its way to the two, where King took the ball for the score. He made his own extra point.

A second-quarter Bulldog threat ended as Greg Eiesland stole a pass on the five.

Milbank passed down to the 16 worked inside the 10 at the start of the third quarter, but guard Leon Yelinek grabbed a fumble to end the drive.

Canton kicked out, and the second TD was set up when end Jim Lounsbery recovered the Milbank fumble on the punt. Doug Dittberner broke loose on the 37 four plays later to score. The point attempt was no good.

The Bulldogs scored early in the final quarter as Settle went over from the seven. The point try failed, and the rest of the quarter saw Canton frustrating Milbank's attempts to

get with in touchdown range.

Coach Burdell Coplan said he was "very proud" of his team. "They made very few mistakes," he said. The coach commended King and Dittberner for their hard running, and also had good words for Danny Nelson, who was down under the punts all night.

He also singled out the defensive play of Ron Hines and Bill Bogue and "The way Ron Johnson and Jack Suter took care of the middle of the line."

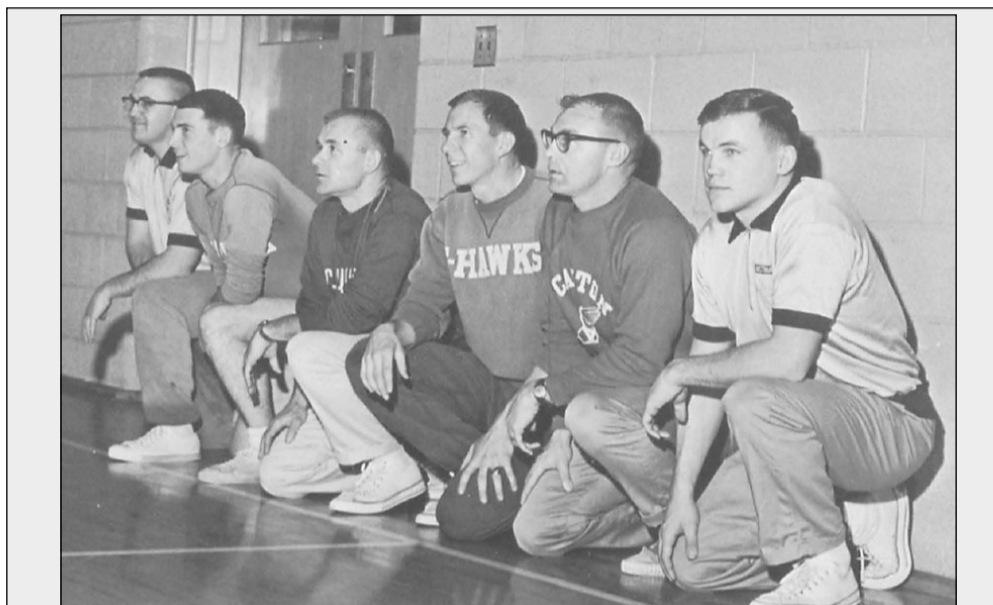

"We gambled that they could cover all the territory between the tackles and they did just that," he said.

Coplan, who was carried off the field at the end of the game, credited John Eidsness for keeping Milbank in trouble with his punting. The sophomore back got off punts of 40, 35, 38, 35, and 34 yards. Coplan also commended Hines for leading the team from the quarterback spot.

Dittberner was the leading ground-gainer with 78 yards in 17 carries. Jack Suter set a new mark in tackles for the year with 18. Hines, Johnson and King each had 9.

Milbank led in first down, 12-5 and in passing, completing 5 of 12 for 95. The Hawks took rushing honors with 157 yards against 128 for the Bulldogs.

Canton journeys to Hawarden Friday for another tough one. Coplan said the team had to work on its timing "and play even better if we hope to spoil the Hawarden Homecoming.

From the 1964 Canton High School Yearbook

The C-Hawk football record didn't come by accident. Coaches, players, and managers all contributed to the victories. Six coaches put in ten weeks of active coaching with the fellows, but who knows how many hours of planning and figuring for both defensive and offensive plays? The victorious coaches are E. Dietrich, G. Breittag, A. Mogck, V. Woltoff, Burdell Coplan, and J. McMacken. Three C-Hawk football players received special recognition for their efforts. Receiving All-State recognition were Greg Eiesland, Ron Johnson, and Gary King. King also received Honorable Mention-All American. Every school has students who work hard but receive nothing but orders. One group at CHS is the managers. They are Mike Olson, Dave Thorsby, and Kirk Dean. One coach in the CHS athletic department received two "Coach of the Year" awards. Coach Coplan was given the Siouxland Coach of the year Award from the Sioux City Journal and the South Dakota Sports Writer's Coach of the Year Award from the Redfield Loin's Club. He has been coach at Canton for nine years. Congratulation to the football squad.

From the October 10, 1963 edition of the Sioux Valley News

## C-Hawks Down Hawarden, 26-13

Canton put the skids under Hawarden's 11 game win record Friday, as the Hawks polished off the West Sioux team 26-13.

But the C-Hawks were scheduled to put everything on the line Wednesday night. Gregory defeated only by Chamberlain and rated ahead of Canton in both area polls, was due here for a mid-week confrontation.

Results of the Wednesday tilt will probably spell oblivion, as far as the rating are concerned, for the losing team.

Greg Eiesland set a new school record at Hawarden with 225 yards rushing. The old record, 223 yards, was set by Don Bong against Gregory in 1959.

Gary King, with 105 yards for the night, made the opening score in the first quarter on a 24-yard run. Eiesland added the point. Hawarden tilted the game up in the second period, but fell behind for good when Doug Dittberner scored from the one and added the point. Dittberner was third in rushing with 34 yards.

Eiesland made the third CHS score from 42 yards out, after the half. Hawarden worked down-field for a final TD, but missed the point. Canton's last score came in the final quarter, when King dived in from the 3.

## C-Hawks Win, Break Milbank's 44 Game Winning Streak

They said it couldn't be done, but Canton did something nobody else could do for 44 games against Milbank, and that is win.

It was a school and team effort all the way. One year was wrapped up into this game, as Canton was defeated at the hands of Milbank last year. This last week before the game was at a high point. The school spirit was the highest it has ever been.

Then the game came, after exchanging punts in the first quarter, the C-Hawks began to roll. At the Milbank's 41 yard line, the Hawks gambled on a fourth down and 5. King picked up seven yards for the first down and there was no stopping the Hawks.

Gary King capped the 50 yard drive by plunging in from the one. King also added the extra point.

Milbank threatened to score in the second period, but Greg Eiesland picked off a Milbank pass to end the drive. The half-time score was 7-0 in favor of Canton.

Rollie Greeno's Bulldogs got another drive going into the third period only to have the C-Hawks line mean hold them back on the downs at the 8 yards line, Leon Yelinek picked up the fumble.

The Hawks held a clear lead in the statistics, with a 365 to 245 yards edge in rushing, 16 to 12 in first downs and 55 to 44 in plays.

Canton tried one pass and Hawarden tried two, but none were completed. The C-Hawks were not penalized. Hawarden lost 10 yards in penalties.

Coach Burdell Coplan said he was very pleased with the entire offense. "The offensive line did a tremendous job, and Dittberner, King and Eiesland ran very well," he said.

"I felt the play of Bogue and Hines was outstanding," the coached added. "We didn't have a penalty or offside, and the credit has to go to the center and quarterback for that."

King led the defense with 14 tackles, followed by Danny Nelson, who had twelve and also recovered a fumble. The coach praised the two, and also gave credit to Dave Martin and Ron Johnson for their defensive work.

"They were all outstanding," he said, "particularly King, who saved us several times, and stopped Hawarden's attempt for that second extra point."

Coplan said he was not satisfied with the defensive charging and expected to work on that during this week.

The hawks were forced to punt from there, and then got the major break of the game. Safetyman, Arlen Conrad of Milbank fumbled John Eidsness's high kick and Jim Lounsbery pounced on the ball at the Milbank 45.

Four plays later Doug Dittberner broke through for a 35 yard TS gallop. The extra point failed leaving the score 13-0 going into the final period.

Milbank's only TD came next, starting at their own 5 yard line. Several plays later the Bulldogs moved up to the Canton 33 yard line on superb passing.

The Hawks then intercepted another Milbank pass but it rolled out of Dittberner's hands to a Milbank man.

Then the Milbank quarterback kept the ball going around left end to score from 7 yards out. The extra point failed.

Milbanks held the hawks after the kick-off but the clock ran out before they could run any more plays.

The final score read Canton 13, Milbanks 6, ending the best football game in years for Canton. Congratulations to the team for their outstanding play on the field.

## C-Hawks Meet Chamberlain Friday

Canton High's C-Hawks travel to Chamberlain Friday for what promises to be a tough ball game. Chamberlain has been rated among the top class A powers in the state since they defeated Gregory 20-14 two weeks ago.

The Hawks also took a one-touchdown victory over Gregory, winning a tight contest 13-6 last Wednesday.

Gregory made the first score just after the second quarter started. The point try failed, but the six-point edge marked the first time the Hawks have been behind all season.

Canton came back late in the quarter as Gary King took a pass for a 19-yard scoring run. King ran his own extra point.

A Gregory threat in the third quarter ended on the five-yard line, where the Gorillas ran up against a tight defense.

Greg Eiesland scored the second Canton TD on a two-yard plunge in the third quarter. The point try failed, and for the rest of the game the Hawks held off a series of Gregory attempts to get within scoring range.

Coach Burdell Coplan said "we were well satisfied with the outcome of the game." But

From the October 24, 1963 edition of the Sioux Valley News

## C-Hawks Face Vermillion

Canton High, rated first in the state in Class A football for the first time this season, lays its rating on the line Friday night when Vermillion comes to town.

The Tanagers have held the first-place ranking for several weeks, but slid in the standings after a 25-0 loss to Le Mars last Friday night. Vermillion's only other loss was to Yankton in the season's opener.

Coach Burdell Coplan said he was "well satisfied" with the performance of the C-Hawks in last week's 33-0 victory over Chamberlain. However, he added that the team will have to play "our best game of the season" in order to beat Vermillion.

Canton plowed Chamberlain under in the Friday game, leading in rushing 413 yards to 54, in first downs 17 to 7, and in plays 64 to 44. The Hawks didn't punt once during the game, and threw one pass, which was incomplete. Chamberlain made 87 yards in completing 5

## Meet Window Friday Night...

### Hawks Aim for Perfect Season After Ripping Tanagers, 33-7

Canton High's undefeated record and number one ratings will be on the line Friday night when the C-Hawks meet Window in the season's final game.

Window has won three and lost five for the year, but some of the losses were close ones in tough Minnesota competition. Coach Burdell Coplan said the Window squad will be "one of the best, if not the best team we'll face this year."

Several Window coaches and players were in the stands last Friday as Canton ripped Vermillion's Tanagers, 33-7

Pass defense was one of the keys to victory, as the Hawks held off a first-quarter Vermillion threat, pushed a Tanager drive back to convert a blocked punt into a TD, and intercepted two passes as Vermillion prepared to score. Coplan said he was "very pleased" with the pass defense. Vermillion completed only one of seven for seven yards.

The Tanagers took the opening kickoff and worked down to the Canton 18, where the Hawks took over after stopping three passes. A Canton march down field was capped with the first score on a two-yard plunge by Doug Dittberner. Gary King made the point.

Vermillion took over, and punted out on fourth down. However, a roughing kicker penalty against Canton returned the ball to the Tanagers on the Vermillion 40.

A fumble on the first play was recovered by Canton, and Greg Eiesland moved out on a 40-yard ramble to score on the next play. Dittberner made the point.

The Tanagers took the kick, and were forced back deep into their own territory. The punt was blocked, and Bill Bogue and Jack Suter dived on the ball in the end zone to take dual honors for the score. The extra point attempt failed.

indicated he felt the team didn't play as well as it had in the past.

Canton led in rushing, 172 yards to 86. The Hawks didn't pass once, although Jack Suter intercepted one Gregory aerial. The Gorillas completed 5 of 11 for 52 yards.

The defense was led by Danny Nelson with 15 tackles. Bill Bogue had 12, Ron Hines 11 and Ronnie Johnson 10. Coplan said he was pleased with the pass rushing and the defensive line play- "I felt it was the best so far this season." He also commended Jim Lounsbery, who was down under the punts all night, and Harvey Woudenberg, who did the kicking off. "Our kickoffs have been weak, and Harvey certainly improved them," Coplan said.

King led in offensive statistics with 86 yards in 11 carries. Doug Dittberner had 43 in 7 carries and Eiesland made 34 in 12.

John Eidsness handled the punting, with kick of 36, 30, 35 and 36 yards. The Hawks had 8 first downs to Gregory's 11, ran off 45 plays to 54 for the Gorillas and were penalized 15 yards against 20 for Gregory.

of 17 passes. One was intercepted by Danny Nelson.

Gary King led the scoring with TD's in the first and second quarters, racking up 134 yards in 20 carries. The first extra point was scored by Greg Eiesland. The second attempt failed, but Eiesland added another point following Doug Dittberner's third quarter score.

Fourth quarter touchdowns were made by Robbin Bong and Ron Hines. Dittberner made the point on the Bong score, but the final try failed.

Bong had 103 yards in 10 carries, and Eiesland added 100 yards in 14 tries.

Ron Johnson led the defense with 8 tackles. Nelson had 7. Leon Yelinek blocked a Chamberlain punt, and Bill Bogue and Hines were credited with recovering one fumble each.

Harvey Woudenberg, appearing in his second game, had kickoff of 27, 20, 20, 37, 50, and 45 yards.

A Vermillion drive was thwarted when John Eidsness intercepted a pass on the Hawks' five before the half.

Canton took the second-half kickoff and after three long-gaining third down plays got in position for Dittberner to score from the two. Robbin Bong made the point.

The Tanagers made their only TD early in the fourth quarter on an eight-yard jaunt by Duane Weisz. Joe Kavanaugh kicked the point.

The Hawks took the kick-off up to their own 44, gained two yards through the line, and then lost 15 on a holding penalty. But on the next play, a perfect Eidsness to Greg Eiesland pass play covered over 60 yards for the Hawks' final score.

Vermillion started a final drive and moved deep into Canton territory, but the attempt was scotched as Jack Suter intercepted a pass. The C-Hawks took over and ran the time out.

Statistics were close. Both teams had 2 first downs. Vermillion ran 54 plays to Canton's 37. The Hawks gained 183 yards on the ground to Vermillion's 174, threw one pass for 63 yards, and lost 35 yards in penalties to the Tanagers' eight.

Rushing leaders were King, with 58 yards in 6 tries. Eiesland, 82 in 11, Dittberner, 14 in 6, Ron Hines, 29 in 5 and Bong, 18 in 4.

King, with 15 tackles and Danny Nelson, with 13, led the defense. Coplan also praised Hines, Steve Hammer and Ron Johnson for outstanding defense work.

The coach said he was "very Pleased with the blocking of our offensive line." He added that he felt the game was "An outstanding team effort, and we were very happy to beat a good Vermillion team by such a margin."

**Members of the undefeated football squad** - left to right first row: L. Meyer, S. Hammer, J. Bjorneberg, B. Thies, D. Nelson, R. Hines, B. Zellhoefer, R. Bong, G. Eiesland and D. Brenden; second row: C. Van Bockern, D. Fodness, J. Eidsness, W. Frick, C. Johnson, K. Levene, D. Suter, J. Espeland, D. Dittberner and S. Freeman; third row: R. Johnson, B. Anderson, J. Glenn, J. Suter, D. Hammer, G. Hill, S. Grove, D. Tupper, I. Nichols and D. Martin; fourth row: B. Bogue, D. Vander Sluis, J. Lounsbery, G. Thompson, L. Yelinek, B. Orstad, R. Johnson, B. White, S. Fodness, H. Woudenberg and G. King.

From the November 7, 1963 edition of the Sioux Valley News

## Nine in a Row...

### Hawks Complete Perfect Year With 12-6 Victory over Window

Canton High sewed up an undefeated season and a first-place rating in South Dakota A ranks with a 12-6 victory over Window last Friday.

But the Hawks had to come from behind to do it. Low temperatures and cold winds were not conducive to top-notch football, and Coach Burdell Coplan said "we felt we played one of our poorer games of the season-but we were very happy with the outcome."

The Canton squad took the opening kickoff, and punted four plays later. Window marched to the C-Hawk 33, and then scored on a long pass play. The point try failed.

Canton took the kickoff on the 34, and in twelve plays worked down to the Window 2. Gary King blasted over for the touchdown. They try for the point failed.

Window was forced to punt from deep in their own territory on the next series of downs. The Hawks pushed down to the 7, but couldn't hit paydirt, and Window took over once more seconds before the half ran out.

A long Hawk run early in the third quarter

was called back on a clipping penalty. The teams traded punts until early in the fourth, when the Hawks took a punt on their own 42, King broke away on the next play, and streaked 58 yards for the winning TD.

Canton held off all Window attempts during the rest of the quarter. The visitors made only 29 yards rushing during the second half.

The Hawks held the edge in rushing, 162 to 72, in first downs, 10 to 6 and in plays, 50 to 41. Window completed 2 of 7 passes for 33 yards. Canton's only pass went incomplete. The Hawks had 15 yards in penalties to the visitor's 5.

King had 127 yards in 19 carries. Greg Eiesland made 50 in 13, Doug Dittberner had 15 for 5, and Ron Hines made 26 in 6.

Danny Nelson led the defense with 12 tackles. Don Hammer had 9, and Ron Johnson and Jack Suter had 8 each.

John Eidsness had punts of 36, 52 and 30 yards and Harvey Woudenberg had kickoffs of 42, 40 and 42 yards.

From the Canton High ECHO November 7, 1963 edition

## C-Hawks End Season Undefeated with Victories Over Vermillion, Window

Canton proved its number one status by smashing Vermillion 33-7 before a large home crowd.

Vermillion and Canton locked horns in the first quarter in a drive by Vermillion which took them all the way down to the 16 yard line before the Hawks stopped them on downs, Canton then started moving back up field with force in the second quarter Gary King moved the 40 yards on a left end run up to the Vermillion one yards line where Doug Dittberner went into the end zone. Gary King added the extra point.

Vermillion fumbled shortly after the kick-off, and it was recovered by Canton on the Vermillion 40 yard line. On the very next play Greg Eiesland sprinted 40 yards for paydirt. Dittberner added the EP to make the score 14-0 Canton.

Yet, still in the second quarter, the Canton defense tightened up even more by throwing the quarterback for a loss three times in a row forcing Vermillion to kick from their own five yard line. There's a host of lineman led by Bill Bogue recovered the ball in the end zone for 6 more points. The extra point try was no good. It made the halftime score 20-0 Canton.

In the third quarter another Canton drive was touched off by Doug Dittberner plowing in from the one. Robbin Bong added the extra point.

In the fourth quarter Canton fooled everybody when John Eidsness threw a long pass to Greg Eiesland and Greg went all the way from there. The play covered 67 yards. The extra point try was no good and the score was 33-0 Canton.

Vermillion picked up its lone TD of the night when Duane Weiss sprinted 25 yards for the score. The extra point was good and the final score read Vermillion 7 Canton 33.

The win made Canton's record 8-0.

Undefeated season bells rang through Canton last Friday night as Canton whipped a tough Window, Minn. Outfit 12-6. It was the second time in the last five years that the Hawks had gone undefeated since their breakaway from the Big 8 Conference. Canton also owns the right of being the only school in Class A competition to go undefeated, and many people will have to admit they had one of the toughest schedules if not the toughest in South Dakota.

Window got the jump on number one ranked Canton by scoring on a 33 yard pass play that ended a 67 yard TD drive. Window's single-wing offense had the Hawks puzzled at first, but after that first score, Window wasn't within the C-Hawks 35 line all night.

After exchanging punts in the second quarter the hawks were on the move offensively. Gary King capped the 48 yard drive by diving in from the two yard line. The extra point try was no good and that left the half-time score 6-6.

The third quarter was a defensive battle. Toward the end however the Hawks began to move up field. On a reverse, the only one run all season, Robbin Bong went 55 yards before being hauled down. The run was called back down on a clipping penalty. The Hawks still retaliated by driving all the way down to the 11 yard line, where Canton fumbled giving Window the ball.

The Hawks got the ball back on an exchange of punts in the final period. Then with the score tied 6-6 and the Hawks on their own 41, Gary King broke through the left side of the Window line for a 59 yard TD romp. The extra point try failed and the score was 12-6 Canton.

That was the final score of game as the defense held for the ninth win of the season without a loss.

## 10 Years Since Winter Storm Atlas By Sen. John Thune

Ten years ago, Winter Storm Atlas swept through western South Dakota. When it started, no one had any idea that it would be one of the most devastating snowstorms in the area's history. Atlas dropped as much as 5 feet of snow in some areas. Wind gusts reached 71 miles per hour, and the storm devastated West River ranches.

Growing up in Murdo, we saw a lot of nasty weather, but Winter Storm Atlas was a storm unlike any other. Shortly after the storm cleared, I toured the area with then-Gov. Dennis Daugaard. It was heart-wrenching to see the impact on our state's livestock industry. Tens of thousands of cattle, sheep, horses, and bison were killed. Much of the livestock that survived the storm were scattered miles from their pasture.

The Atlas storm brought the ferocity of Mother Nature to bear, but it also revealed the resilience and kindness of South Dakotans. Farmers and ranchers are independent, hard-working people. They are the best friends and neighbors you could ask for – the first to lend a helping hand and the last to ask for help. In the days and weeks after the blizzard, support came in from across the country. South Dakotans donated to the Rancher Relief Fund that provided millions of dollars in assistance to livestock producers, and producers from around the country donated their own livestock to help South Dakota ranchers rebuild their way of life.

When the storm hit, Congress was working on finalizing a farm bill, and I got right to work to make sure the bill would be done quickly and that the programs producers needed would be there for them. Winter Storm Atlas was a reminder that disaster can strike when you least expect it. In the 2008 farm bill, I coauthored the first standing livestock disaster programs of their kind. I worked to ensure these programs – the Livestock Forage, Livestock Indemnity, and Emergency Livestock Assistance programs – were continued and strengthened in the 2014 and 2018 farm bills.

Thankfully a storm as devastating as Atlas hasn't struck again, but South Dakota's farmers and ranchers have certainly seen their fair share of extreme weather in the last decade. Weather is just one aspect of the uncertainty and challenges that farmers and ranchers face. The livestock programs I helped design are an integral part of the farm safety net that farmers and ranchers depend on when challenges arise. As Congress considers another farm bill this year, I'm working to strengthen these programs to ensure farmers and ranchers can weather any storm that comes their way.

Agriculture is South Dakota's number-one industry. South Dakota farmers and ranchers work hard every day, and they face uncertainty and a myriad of challenges to deliver a reliable and affordable food supply to the nation and the world. South Dakota's producers are on my mind every day in the U.S. Senate, and I'll continue working to ensure farm policy supports them and the important work they do.

## LIFE ON THE FAMILY FARM UNDER AN OPEN HEAVEN

By: Tom Heck

### A Very Special Day

A very special day is coming up for us soon as I sit here and write this. It will be our wedding anniversary. What a special day it was, 34, years ago when Joanne and I said our marriage vows to each other and committed to each other for life.

What can I say? Except that the last 34 years have been the most blessed years of our lives. God made marriage so good and so sacred. Without the Lord, I'm sure our marriage would have been a disaster. So many marriages are today, and that's certainly not God's will.

It's impossible to put a value on a godly spouse; they're worth more than all the gold in the world. The Bible says in Proverbs 31:10 that the price of a virtuous woman is far above rubies. That is certainly true of my Joanne.

Joanne has stood faithfully by my side all these years. When things were going very badly years ago, with the people we worked for, Joanne and I earnestly prayed and spent time in the

Bible. God guided us to get our own farm. We had very little for finances, so we had to over and over again go to the Lord in prayer and ask Him to provide for us, and He always did. Joanne and I never doubted or looked back, we walked in faith and God always came through, sometimes in the most unexpected ways. Joanne has always been a great woman of faith. A great wife, mother, and helpmate. Without Joanne, I wouldn't be the person I'm today. I wouldn't have the wonderful family we have today. We wouldn't have this farm, and I wouldn't be writing this column either.

I've seen some terrible marriages and homes over the years, and I knew I certainly didn't want one of them. That's why I asked the Lord to pick out a godly wife for me, and He most certainly did. God is faithful and answers prayer. It's been such a blessing having a godly home and farm all these years. It's been wonderful working alongside my sweetheart and kids all these years.

Yes, there have been many challenges

over the years: sick cows, sick calves, broken-down equipment, droughts and so forth. But, God has always been faithful and brought us through them all. And Joanne has always stood faithfully by my side and helped me, even in the darkest nights.

There will be dark nights and storms, but it's wonderful to have a godly spouse who stands by my side and looks to the Lord with me. For there is always a bright morning coming then.

So for our anniversary, I'm planning something very special, something I'm sure will bless her. If you have a wonderful spouse you need to go out of your way to bless them, for they are sure worth it.

On dark days and on bright days we always need to put the Lord first and walk in love. Failure to do so will be hard on a marriage, family, farm and certainly an individual. After all these years, I certainly know this to be true.

So yes, our anniversary is a very special day and we will celebrate what God has done. He is so good and so loving.

The Big Three  
By Rep. Dusty Johnson  
September 29, 2023

### BIG Update

Last week, I gave you an update on our national debt. This week, our nation is facing the September 30 deadline to fund the government. House Republicans continue to pass individual appropriations bills that cut spending, strengthen our military, and secure the border – but we are running out of time to get everything across the finish line by tomorrow at midnight. A government shutdown costs the U.S. money and would prevent our military from getting paid – it's a terrible option.

# BIG THREE

That's why I worked on a short-term solution with the House Freedom Caucus and Republican Main Street Caucus to keep the government open for 31 more days paired with historic spending cuts and strong border security provisions. Unfortunately, 21 of my Republican colleagues sided with Democrats and opposed our bill. They try to make it sound like a noble cause, but it doesn't move America in the right direction. In fact, it does the opposite.

This bill was our chance to show the U.S. Senate and President Biden that House Republicans won't accept a clean government spending bill and that we are serious about lower spending and securing our border. These 21 prevented that from happening.

Learn more about the plan I put forward with members of the House Freedom Caucus—watch my remarks from today here.

### BIG Idea

China plays a large role in chassis (the base frame that helps move cargo) production for truck trailers. In our steps to decrease dependence on China, leveling the playing field for chassis production is part of that strategy. I met with the Truck Trailer Manufacturers Association and Trail King of Mitchell, South Dakota to talk about ways to increase production in America and foster a robust workforce.

### BIG News

Border crossing numbers hit new record highs. More than 60,000 people came across the southern border illegally just this week. The news has 24/7 coverage of long lines of people streaming across the border. It's clear the Biden Administration isn't allowing Border Patrol agents to do their jobs.

Eight Democrat mayors and governors have declared a state of emergency because of the illegal immigrants that have flooded their communities. They don't have the resources—physical or financial—to handle this influx.

The crisis at the border cannot be ignored, yet the Biden Administration's border policies have neglected it for nearly 36 months. Congress can't rely on President Biden's policies to change any time soon. It's long past time to put in place real border security solutions. On Thursday night, House Republicans passed our bill to fund Homeland Security. It secures our southern border by hiring more border patrol agents, investing in new technology, resuming construction of the border wall, and removing dangerous criminals. We're taking action to secure the border. It's too dangerous not to. It's my hope the Senate agrees and passes our bill.

## AUCTION – HOME TO BE MOVED

**Attention to Homeowners, Investors & Others Looking for a Single Story Home to be Moved! This is a great opportunity to move a Well-Maintained Single Story Home to a site of your choice!**

We will Offer the following home to be moved at 46790 271st St., Tea, SD. From the Tea Exit on I-29, 2 ¼ Miles west on 271st St.; or just west of the jct. of 468th Ave. and 271st St.

**TUESDAY OCT. 17th, 2023 Sale Time: 5:00 PM**  
**OPEN HOUSE DATES: Wednesday October 11th from 5:00-6:30 PM**  
**or by appointment arranged with the Auctioneer's or the Sellers**

The home being offered consists of a nice, single-story home built in 1974 being sold to be moved as the current owners have constructed a new home on the current site. The residence consists of a 1,248 sq. ft. structure with a 312 sq. foot addition. The area with the addition and the 30x27 ft. 2 stall attached garage will be left on the property as the current owner has stated it can be modified for other future use for their need on the property. The main floor has a kitchen w/ laminate floors and oak cabinets & has 2 main floor bedrooms, one full & one ¾ bathrooms & 19x13 living room. The garage & breezeway would stay with the property & the main structure would be sold to be moved. Items from the basement that can pass with the property include items such as a large electric furnace with elect. Heat storage, HW Heater, including Furnace & Duct Work, & AC Unit (with non-working fan). The exterior of this home consists of steel siding & asphalt shingles, additionally there is some brick exterior which would need to be removed prior to removing the structure from the site. Items subject to removal and preparation for removal would be subject to negotiation with the seller. This is a nicely finished home which could serve as a nice personal residence, rental, or home as an investment. The current owner is a licensed contractor and may be able to assist with preparation for removal of the home, for specific questions contact Justin @ 605-212-0006. This home additionally could be easily modified to a new purchaser's desires once located on a new site! With the current housing market & a low supply of available homes on the market, this is a nice opportunity to purchase a home to be moved and locate on the site of your choice! Don't miss the opportunity to inspect this home and make plans to attend this auction!! For additional information on this auction visit: [www.suttonauction.com](http://www.suttonauction.com) or [www.souvignerauctions.com](http://www.souvignerauctions.com).

**TERMS: Cash – 15% down date of sale and the balance before removal on or before November 24th, 2023. Total bid to be subject to South Dakota Sales Tax totaling 4.2%. Purchaser to pay all moving costs. House must be moved from the site by Spring, 2024. It is the buyer's responsibility to make arrangements with a House Moving Company prior to the auction, for a list of House Movers contact the Auctioneer's. Additionally, it is the responsibility of the Purchaser to obtain insurance on the structure following the auction which must be in place by the closing date. The structure will be sold AS IS – WHERE IS, without any warranty whatsoever. There is no warranty or merchantability or fitness for a particular purpose. Sold subject to confirmation of the sellers.**

# C-Hawks Defeat Bulldogs 30-14 to Improve to 4-2

The Canton C-Hawk football team traveled to Madison on Friday night and after halftime made some adjustments and rolled to a 30-14 victory to improve to 4-2 as they next host Vermillion on Friday with a 7pm kickoff. Vermillion brings in a 2-4 record with wins over Custer and Milbank and lost to Chamberlain, West Central, Dakota Valley and Lennox.

Canton started out the game on offense and drove down to the 9 yard line after a strong ground game then Braxton Mulder threw a pass that was intercepted in the end zone giving Madison the ball on the 16 yard line. The Bulldogs drove out to the 33 yard line then they dropped back to pass and found a receiver cutting down the center of the field and he caught the pass and raced 67 yards for the games first touchdown and after the extra point kick Madison held a 7-0 lead at 7:43. Canton started at their own 8 yard line and Canaan McCracken and Teague Granum with Cain Wallner moving the ball down to the 44 but the ball was turned over after another interception and with the return Madison had the ball at the Canton 15 yard line. Madison ran to the 4 yard line but penalties moved them back to the 9 then on a

4th down and 2 the Canton defense stopped the runner short turning the ball over as the 1st quarter ended with Canton trailing 7-0.

Canton started the 2nd quarter on the 4 yard line but on the first play Cain Wallner took the handoff and got around the end and gained 51 yards putting the Hawks on the Madison 45. Granum and McCracken each had 6 yard runs followed by a 23 yard run by McCracken as he broke 3 tackles on the run down to the 10 yard line. Wallner ran outside after getting the pitch from Mulder and just came up short on the 1 yard line and Wallner finished it off following McCracken into the end zone for Canton's first touchdown and after an extra point pass from Mulder to Matt Anderson made the score 8-7 at 7:44. Madison started on their 33 but good tackles from Arthur Benoit and Traun Cook forced a punt but on the play Anderson blocked the punt and Canton would get the ball at the Bulldogs 33. After 2 play the Hawks were down to the 12 then Wallner for 6 and a penalty on Madison for offsidess put the ball at the 3 then McCracken took it in for the touchdown. The extra point run by Cook was short and at 2:28 Canton led 14-7. Cantons defense

let down and after a good tackle by Anderson their quarterback scrambled and with bad tackling he was able to score a 67 yard touchdown run and with the extra point kick the game was at 14-14 as the game went into halftime. Good defense and penalties made the 3rd quarter a defensive battle with neither team making much yardage as the game stayed tied at

14-14 heading into the final quarter. Canton stayed on the ground to start the 4th and with Wallner, McCracken and Granum running the ball they moved downfield by chunks down to the 26 yard line then McCracken took the handoff and was hit after 3 yards but kept his feet moving and the found an opening and ran it in for a touchdown. Mulder kept the ball and ran around the end for the extra point making the Hawks lead 22-14 with 8:02 left in the game. Anderson ended the Bulldogs next drive with an interception giving the Hawks the ball back at the 4. McCracken went into beast mode as he had runs of 9,9,8, and 4 with an 11 yard counter run by Wallner down to the 4 and McCracken followed that up with a run behind Cook, Pierce Mastalir and Casey Sheridan. The extra point was good after Mulder hit Benoit on the pass making the score 30-14 at 3:59. Madison had trouble moving the ball with the Hawks defense along with Madison penalties forcing a pass that Kieshon Smith intercepted at the 4 yard line as our defensive line was applying the pressure so with 2:30 left in the game the Hawks ran out the clock with runs from McCracken 10 yards behind Cook and Mastalir then on the next play Wallner went outside and powered

his way for 28 yards to end the game with Canton winning 30-14 to improve their record to 4-2 with Vermillion coming to town Friday.

**Game Stats:**

First downs- Canton 23 (22 run, 1 pass), Madison 10 (2 run, 6 pass, 2 penalties)  
 Rushing- Canton 61/406, Madison 13/64  
 Passing- Canton 3/6 for 41, Madison 14/22 for 176  
 Total offense- Canton 447, Madison 240  
 Penalties- Canton 6/63, Madison 4/28

**Individual Stats:**

Rushing- McCracken 30/192, Wallner 20/180, Granum 5/23, Mulder 4/2, Anderson 1/1, Cook 1/1  
 Passing- Mulder 3/6 for 41  
 Receiving- Anderson 1/35, Wallner 1/3, Benoit 1/3  
 Scoring- McCracken 18, Wallner 8, Mulder 2, Benoit 2  
 Kickoffs- Mulder 5/32 avg  
 Kickoff returns- Wallner 2/19, Anderson 1/7  
 Punts- Anderson 1/28  
 Punt returns- Wallner 1/10  
 Interceptions- Smith 1/1, Anderson 1/0  
 Blocked kicks- Anderson (punt) 1

## Black and White and Read All Over

This week, and every week, newspapers are for you!

Americans have more media options than ever. We are inundated with stories, memes, videos and promotions 24 hours a day. Most of us are on social media, which is built to provide an endless feed of content to keep us glued to our screens. And unfortunately, misinformation is prevalent and much of that content isn't fact-checked, verified or professionally produced. The result is that we're not always shown what we need to know, or the information that is most likely to impact our lives. That's where local newspapers come in. Your local newspaper takes a different approach.

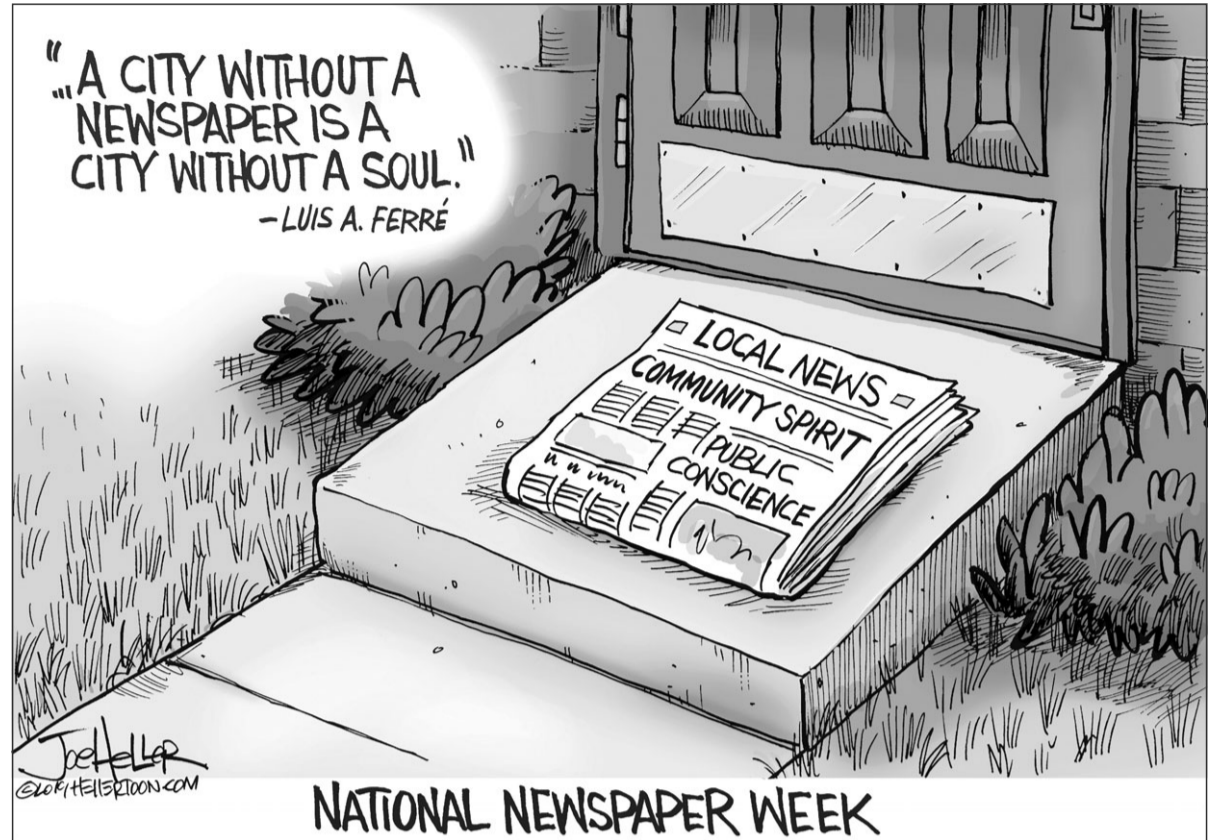

National Newspaper Week is a good opportunity to recognize the commitment that local newspapers make to the communities they serve. Your local newspaper is just that – local. It hires reporters who are trained to provide reliable information about the issues that matter most. Whether it's the latest happening from the local school board, changes in real estate zoning, high school football scores or a review of that new restaurant you've been wanting to try, newspapers deliver what's important to you.

Your local newspaper is far more than just print. In the ever-changing media landscape, local newspapers have evolved to true multi-channel content providers. From websites

to apps, emails, newsletters, video and podcasts, local newspapers are delivering news in innovative ways. As a reader, you get to choose when and where to get the news you need, and no matter the method, can always be assured what you're reading is credible and reliable.

Although the format or device readers use to connect with their local newspaper might vary, it's clear that newspapers are relied on as the source for local news. A recent national study conducted by the independent research firm Coda Ventures shows that 79% of Americans use local newspapers to stay informed about their communities and depend on them to feel connected and to decide where they stand on local issues and to find places and things to do. Further, six out of 10 American adults use newspaper advertising to help them decide what brands, products and local services to buy. It's clear that local newspapers are vital to healthy communities.

In spite of the new ways to connect with your local newspaper, it's true that the newspaper industry is facing significant challenges. Rising costs, national competitors and the impact of Big Tech companies using newspapers' content without compensation have all impacted your local newspaper. Now, more than ever, we need their commitment to journalism's core values. As we recognize National Newspaper Week, let's focus on

NATIONAL NEWSPAPER WEEK

the vital role that newspapers play, and consider how we can support them. Subscribing or advertising in your local newspaper not only supports the newspaper but is also an investment in your community.

On a national level, the Community News and Small Business Support Act (HR 4756) has recently been introduced in Congress. This bill would provide local newspapers

with financial support for their newsroom employees, and would go a long way to providing your newspaper with support for the reporters and photographers that are sorely needed. Encourage your members of Congress to support this bill!

Whether you access the content from your local newspaper in print or online, remember that it is

produced for you. And behind the articles, columns, and images your newspaper produces is a team of local residents who are committed to making your community stronger! Join me in thanking your local newspaper – during National Newspaper Week – for the good work it does to keep your community informed.

## National Newspaper Week; Support Your Local Newspaper

There's been a lot of hand-wringing in recent years about the death of local newspapers, those bastions of democracy and chroniclers of community.

While the loss of any newspaper hurts the people they serve, residents of rural areas and small towns are hit especially hard when a newspaper shuts down. When a local newspaper closes, citizens lose impartial news and information about town and county government, school boards, local athletic teams, academic awards, county fairs and the mundane and special occurrences of a community's life.

Despite the very real consequences of the shrinking traditional sources of community news, Americans remain hungry for reliable, accurate local news and information, a 2023 study conducted for America's Newspapers shows.

The study by Coda Ventures

found that 8 out of 10 Americans still get news and information from local print or digital sources every month. The survey included a nationally representative sample of 5,000 respondents.

Nearly three-quarters of respondents said a local newspaper is important, and 43% said local newspapers or their websites are the most accurate source of news and information.

"Local news is critical to the well-being of a community," the study's authors wrote.

As a 50-year veteran of small and medium-sized newspapers and now editor of a statewide digital news site covering government and public policy, I know how true that statement is. Local newspapers give readers more than just the news; they help define and keep a community's culture strong. My 93-year-old mother has been

a subscriber to our hometown newspaper since I was a child, and she's continued subscribing through changes in ownership and the switch from steady delivery by carrier to the sometimes spotty delivery by the mailman. From obituaries to wedding announcements to front-page news, she relies on that newspaper to keep her connected to her community.

I learned about local politics and government by reading that newspaper. It's a major source of my own passion for journalism and news.

The survey notes that when people say they "read the local newspaper," they're referring to any number of print and digital platforms where they can easily obtain news and information about their communities.

Not surprisingly, those ages 18-39 cite social media as their

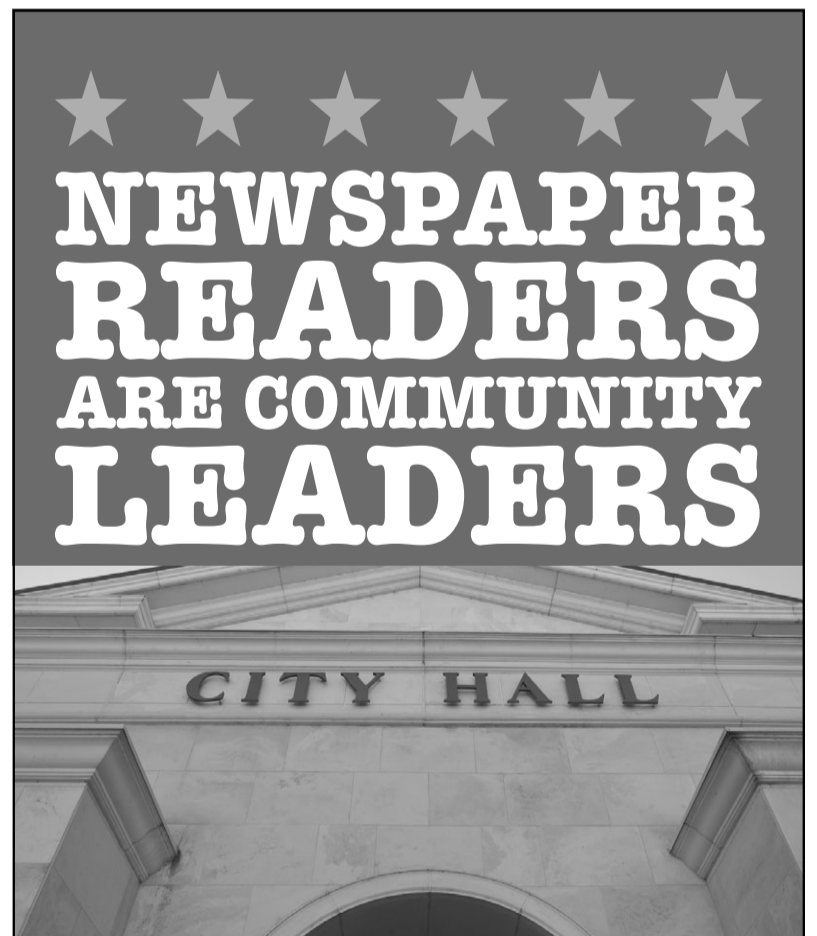

preferred means of accessing local newspaper content while those 40-74 prefer getting local news via a news website. Those 75 and older are almost evenly divided between preferring to read a home-delivered paper and reading a news website.

The study findings support the importance of local newspapers to citizens' sense of community and engagement in public life, not just through news reporting but from public notices from local government and advertising from

local businesses.

Local newspapers and their websites are relied upon more than any other source of information about public notices and government, the study says: 55% vs 24% for government websites.

As National Newspaper Week gets underway, we should take hope that our fellow Americans remain supportive of local newspapers even as their means of accessing news and information has changed. Local news is not dead.

87% of newspaper readers feel they have a responsibility to help shape the future of their communities.

In Print. Online. For You.

**Notice of Hearing**

**NOTICE OF PUBLIC HEARING**  
 Notice is hereby given that the City  
 Commission of the City of Canton,  
 South Dakota will conduct a public  
 hearing at the regularly scheduled  
 City Commission meeting at the hour  
 of 7:00pm on Monday, October 16th,  
 2023, in the Viking Room at the Canton  
 Depot. The Hearing is for an appeal on  
 the Planning & Zoning Commission's  
 decision to award a Conditional Use  
 Permit for Major Home Occupation to  
 Kelly Gaffer at 224 North Milwaukee  
 Street, Canton, SD. The property is  
 legally described as: Canton Rud Add  
 Lots 4-5-6 Blk 10 in the City of Canton,  
 Lincoln County, SD.  
 Information regarding the  
 application is available for public  
 review at the Canton City Hall in the  
 office of the Finance Officer during  
 regular business hours.  
 The City Commission public hearing  
 will be held at the following time, date  
 and location:  
 7:00 p.m.  
 Monday, October 16th, 2023  
 Canton Depot (600 West 5th Street)

The City Commission invites all  
 interested persons to attend and offer  
 their comments. Those interested  
 persons not able to attend are invited  
 and encouraged to send written  
 comments, prior to the hearing, to the  
 Canton City Finance Officer, 210 N.  
 Dakota Street, Canton, SD 57013.  
 In compliance with the Americans  
 with Disabilities Act (ADA), if you  
 need special assistance to participate  
 in this hearing, please contact the City  
 Finance Officer at (605) 987-2881.  
 Anyone who is deaf, hard-of-hearing  
 or speech-disabled may utilize Relay  
 South Dakota at (800) 877-1113 (TTY/  
 Voice). Notification 48 hours prior  
 to the hearing will enable the City  
 to make reasonable arrangements to  
 ensure accessibility to this hearing.

**City of Canton Notice**

**City of Canton**  
**C461039-06 & C462039-04**  
**DATE October 5, 2023**  
**AMENDMENT TO CATEGORICAL**  
**EXCLUSION DETERMINATION**  
**FOR THE PROPOSED PROJECT**  
**IN CANTON, SOUTH DAKOTA**  
 The South Dakota Department of  
 Agriculture and Natural Resources  
 (DANR) conducted a review and  
 issued a Categorical Exclusion  
 Determination published on March 9,  
 2023, for a proposal from the city of  
 Canton located in Lincoln County for  
 a water and sewer main replacement  
 project. The project scope included  
 replacement of about 5,150 feet of cast  
 iron water main pipe with PVC pipe,  
 about 1,240 feet of storm sewer and  
 5,000 feet of various sized sanitary  
 sewer pipes. The original project  
 scope was for construction to take  
 place on Blair Street from 5th Street  
 to 9th Street then along 9th Street to  
 Pleasant Street, then continues along  
 Pleasant Street to 11th Street then  
 along 11th Street to Broadway Street.

The project includes the installation  
 of water mains, valves, fire hydrants,  
 intakes, sewer mains, manholes and  
 associated appurtenances.  
 The Categorical Exclusion  
 Determination is being amended to  
 expand the project scope to include  
 replacing water mains,  
 valves, fire hydrants, and associated  
 appurtenances in 10th Street between  
 Main Street and Broadway Street.  
 Listed below are the reasons for  
 granting an amendment to the  
 categorical exclusion:  
 1. The project involves new  
 collection, distribution lines or  
 storage facilities within the developed  
 portion of the community.  
 2. No comments requiring mitigative  
 action were received from the South  
 Dakota Historical Society, South  
 Dakota Department of Game, Fish,  
 and Parks, United States Department  
 of Interior, United States Army  
 Corps of Engineers, Natural Resource  
 Conservation Service, or through the  
 public participation process.  
 The proposed action as amended

does not involve any serious local  
 objections, nor does it meet any of the  
 criteria for not granting a categorical  
 exclusion as specified in Section  
 6.505(c) (i) through (iii) of 40 CFR  
 Part 6, Subpart E.  
 The amended project area will not  
 affect any archaeological or historic  
 resources. The proposed amended  
 project should have no adverse effects  
 on plant life or wildlife. The proposed  
 amended project will have no effect  
 on prime or important farmland. No  
 other environmentally sensitive issues  
 have been identified in the planning  
 of this amended project. Minor noise,  
 air pollution, and soil erosion problems  
 will occur during construction, but  
 these will be only temporary in nature.  
 The review process did not indicate  
 that significant environmental  
 impacts would result from the  
 amended proposed project.  
 Consequently, a preliminary decision  
 not to prepare an EIS has been made.  
 This action is taken on the basis of  
 a careful review of the engineering  
 report, environmental information

documents, correspondence with  
 responsible governmental agencies  
 and other supporting data which are  
 on file at the Division of Financial  
 and Technical Assistance, Environmental  
 Funding Program, DANR, Pierre,  
 South Dakota, and are available  
 for public scrutiny at the City Hall,  
 Canton, South Dakota.  
 Comments supporting or  
 disagreeing with this decision may  
 be submitted to DANRMail@state.  
 sd.us for consideration by DANR  
 after publication of the Amended  
 Categorical Exclusion Determination.  
 After evaluating the comments  
 received, DANR will make a final  
 decision.

**Ordinance NO. 117**

**Ordinance NO. 117  
 2024 Appropriations Ordinance**

An Ordinance appropriating funds for the necessary expenditures and liabilities for the Town of Fairview, Lincoln County, South Dakota for the fiscal year 2024 and levying a tax for the balance after estimating income and remaining balance have been considered.

BE IT ORDAINED BY THE TOWN BOARD OF FAIRVIEW, LINCOLN COUNTY, SOUTH DAKOTA:

Section I. It is hereby deemed necessary and is hereby appropriated for the object and purposes herein specified to pay the expenses and liabilities of the government of the Town of Fairview, Lincoln County, South Dakota during the fiscal year 2024 as follows:

Trustees and Finance Officer	\$ 4,500.00
Streets and Parks	\$17,000.00
Administration	\$ 7,000.00
Fire Department	\$34,500.00
Estimated Income	\$ 0.00
Tax Levy	\$22,300.00

Section II. This Ordinance is declared for the support of the Municipal Government and is in existing force and effect from and after its first reading, final passage, and publication as provided by law.

Section III. All Ordinances of parts of Ordinances in conflict are hereby repealed.

Section IV. The Finance Officer is hereby directed to certify the dollar amount of the tax levy made in this Ordinance to the County Auditor.

Passed first readings: August 21, 2023  
 Passed second reading: September 18, 2023  
 Board President

Dianne Lang  
 Finance Officer
